10 Steps to writing your New Moon Abundance Checks

1.) Within the first 48 hours* after a New Moon, take check from your check book or print the checks found in this eBook on page 5
Where it says "Pay to," write your name.

2.) In the little box on the same line where you would fill in a dollar amount write: "Paid in full."

(Some of the checks DaKara has created already has Paid in Full printed on them)

You can leave the specific amount open (using Paid in full) or use a dollar amount you are comfortable receiving... perhaps \$500.00 or more. (who couldn't use an extra \$500.00 in the next couple of weeks?) If you choose to use a specific dollar amount write out on the memo line "This or something better"

(See #10 on the page 4, if you feel any stuck energy around the specific amount or what you are manifesting.)

3.) On the line underneath your name, where you would write out a dollar amount, write: "Paid in full." Just that statement, no line.

(Some of the checks DaKara has created already has Paid in Full printed on them)

4.) Sign the check: "The Law of Abundance" Or "The Law of Attraction" or "The Law of One", or any other Universal law that feels good to you or in alignment with what you are asking for.

Under the signature line, write "Thank You"

(If using your own checks or a piece of paper where you have drawn out a check.)

I write Thank You on all the checks I write. Why not thank the Universe and express Gratitude for what you are manifesting, receiving or praying for?

The **Abundance checks** on page 5 of this eBook, already have the "Thank You" there for you!!!

5.) **Leave the date blank or write NOW**
(or you can date it with a specific date that you "believe" this amount or item will come to you.)

* Unless the moon is void of course - Best timing to write and release checks is emailed out each month. Be sure to stay on the email list to receive timing information.

- 6.) Use the **MEMO line** for an overview statement of what you are wanting.
i.e. Money, Relationship, Love, Health etc.
Keep the Memo line simple.

KISS - Keep It Simple Sweetie!

Also use the back of the check to list more details of what you are wanting.

- 7.) **Sign your name to the back of your check!** As if you are preparing it for deposit to the Universal Bank of Manifesting!!!

Later (after 2 weeks or longer) you can burn/release the check (s) on one of the upcoming full moons, expressing Gratitude for receiving abundance in your life while the check is burning. If burning is not an option, you can tear up the checks and flush it down the toilet. On months where the full moon is in an Earth sign you can also tear the check up into tiny pieces and bury it in the ground or a pot of soil. Each month we will email out the best timing to write and release your checks.

- 8.) To add some fun and playful energy sing a song while holding the vision of the item or funds flowing to you easily and gracefully!

Here is a fun little ditty DaKara wrote to the tune of
“Row Row Row Your Boat”

*Flow, flow, flow your way,
visioning the dream,
happily, happily, happily now,
success is guaranteed! ©*

or this little ditty sung to the tune of
“Whistle while you work” from the Disney Snow White movie

*I choose to be Happy while I wait, Happy while I wait,
happy happy happy happy happy while I wait!©*

It's all about raising your vibration!

- 9.) Put your New Moon Manifesting Checks in a safe or sacred place and forget about it. Create a New Moon Altar and place your checks there each month. Keep it simple or elaborate, it's up to you!

Let the Universe Handle the Details.
(MOST IMPORTANT is to Get out of the HOW!)

10.) Many times we have beliefs within our sub conscious mind that thinks we don't deserve something. By writing in the Dollar amount space with Paid in full, we are leaving the details to the Universe. Most times the Universe will give us much more than what we may ask for ourselves. If you feel something come up from within, around receiving or deserving, take a moment to identify the energy and release it to the Universe.

Dear DaKara,

"Thank you so much for sharing your abundance checks! I decided to give this a try. I thought big, really went for it and in one week we received \$200.00 more than I wrote the check for. This was a very timely gift and we are grateful." Thank you again,

Stacey / Lynnwood WA

Thank you Thank you Thank you, Law of Abundance and DaKara. This month we manifested a win from our favorite radio station... a weekend trip to Palm Springs, \$100 restaurant coupon and a show at a casino to see an Elvis impersonator. I was so excited. Great win!!! My husband Joe finally put in an ad for an assistant. He'd been talking about this all year. So, he put up his ad and got so many replies. The first one was exactly what he was creating as he thought about what he wanted in an assistant. Exactly what he wanted. Ah, the Universe is generous and loving. It's been a great month.

Hi DaKara - just a little note to thank you once again for being the rock that everyone can stand on. You are doing more good than you realize by just reminding us about these great abundance checks. Last month's brought me a new car! And even though it has a loan attached to it, I'm so incredibly grateful to the Universe (& you) for allowing me to actually receive this loan aka car, because I have less than stellar credit AND it was a killer interest rate-a rate that is normally given to the "better" people. I have had more wonderful things open up for me financially since you've been telling us about these checks. Plus it helps me to have an allowing mindset. :)

Thanks again-you're the best!

J. Schuler

DaKara, I just wanted to say thanks for the Abundance Check exercise that you told us about at the new moon. I'm delighted with the surprising instances of abundance I've had in these last two weeks

Jamie, Lincoln, NE

Hi DaKara:

Thank you soooooo much for reminding me (us) about these each month! I usually put it on my calendar, but with the holidays here, it totally slipped my mind - except that for some reason (aka the Universe!) had me go on my emails tonight! I've done them the last 2 months and it has been amazing - YOU are amazing and you are a light in my world - thanks for being who you are, Dakara.

Blessings & Light!

Judy S.

I want to thank you for this amazing technique, it does work. I only did this once back in November and in December just before x-mas money did appear from I would say the Universe. I am going to do this technique again this month and see what possibilities await.

Many Blessings,

Michele
