

YOUR FIRST \$1,000 IN FREE TRAVEL

The 5-Minute Starter Guide for Beginners

No juggling cards. No math. Just 3 simple steps that work.

STEP 1: USE THE RIGHT CARD

What to Do:	Why It Works:
<p>Put your everyday spending groceries, gas, dining, streaming on a points-earning travel card with flexible reward points instead of cash or debit.</p>	<p>Most point earning cards earn 2-5 points per \$1 in these categories, and those points quickly turn into real free travel.</p>

That's your **first free vacation** — just from only one category of normal spending.

STEP 2: ALWAYS USE A SHOPPING PORTAL

What to Do:	Why It Works:
<p>Before buying online, click through a shopping portal (like Rakuten or your card's travel portal) to earn bonus points.</p>	<p>You'll stack extra rewards on top of what your card already earns — especially with brands like Macy's, Expedia, Sephora, Nike, or Walmart.</p>

Shopping through a portal for clothes or shoes

Example:

Thousands of extra points toward your next free flight or hotel stay.

STEP 3: STACK POINTS WITH SMART DEALS

What to Do:	Why It Works:
<p>Combine your points-earning habits with amazing cash rates for flight or hotel deals you find online (or through a deal alert service). We like Google Explore and Kayak Explore.</p>	<p>Points stack up faster and go further when you combine strategies with great cash fares. You'll find those deals much quicker with an alert system — like the one inside JGOOT Vault.</p>
