

JGOOT AI AWARD SEARCH ASSISTANT

How to Use the AI Like a Pro

The Golden Rule: Be specific. Include your departure city, destination, timing, number of travelers, and cabin.

Best Prompts

(Copy & Paste — edit locations and number of passengers to fit your situation):

- Family of 4 from Nashville to Italy in June, business class — what should I look for?
- Best airlines for 2 business class seats from the US to Japan next spring?
- Give me a step-by-step search plan for business class to Paris in May from the US
- We are 5 people trying to go to Europe in July — what airlines should we target?
- I only have Amex and Chase points — best options for Europe in business class?
- I'm seeing 300k points to Europe — what am I doing wrong?
- I found flights to Europe but nothing coming back — what should I do?
- Best way to get to the Maldives with points in business class next fall?
- I'm flying from Boise — how should I approach finding flights to Europe?
- Is it too late to find business class flights to Australia for October

Avoid These

- Find me flights
- Cheapest flight?
- Help

Pro Tips

- Start broad, then refine your question
- Focus on strategy before searching
- Follow the 'Meat of the Sandwich' rule — long-haul first
