

Crypto Wealth Audio Masterclass

Start Here Guide

Welcome to the Shortcut You've Been Looking For

Welcome Message

Hey there,

Thanks again for investing in the **Crypto Wealth Audio Masterclass** — smart move.

If you've ever felt overwhelmed by charts, confused by conflicting advice, or just unsure of where to start... this audio series was made for you.

Inside, I've broken down the **core strategies** that changed everything for me — from building a smarter portfolio to knowing exactly *when* to take profits (without emotion or hype).

Listen once, and you'll never approach crypto the same way again.

What's Inside – Episode Breakdown

Here's a quick overview of each episode so you can decide whether to binge them all at once, or take them in one at a time:

 Episode	Title	What You'll Learn
1	Why Most People Get REKT in Crypto	The real reason most investors lose money — and how to avoid their fate
2	Simplified Portfolio Strategy	How to structure your holdings using the Green–Yellow–Red bucket system
3	How I Time the Market	The indicators I use to know when to buy, when to sell, and when to wait
4	The Exit Strategy That Works	A simple framework to take profits without FOMO or regret
5	Altcoin Re-Entry Plan	How to know when it's safe to rotate back into alts after a crash
6	Bitcoin vs Altcoins	Which one leads the cycle — and how to rotate between them
7	Avoiding the Hype Trap	Why hype, influencers, and trends lead most people to losses
8	Creating Long-Term Wealth	How to build conviction, avoid burnout, and actually finish the cycle
9	How to Use This in Real Life	How it all fits together in a simple, repeatable strategy
