Be careful of the creating a pattern of belief that says, "I \*only\* get money from my paycheck."

instead, practice this belief:

Move beyond blocks

A close-up photograph of a hand holding a black pen, writing on a white piece of paper. The background is a blurred wooden surface. The text 'start new rituals' is overlaid in a black, cursive font across the lower portion of the image. The word 'start' is on the left, 'new' is in the middle, and 'rituals' is on the right. The pen is positioned as if it has just finished writing or is about to start.
