

## INCOME DISCLOSURE STATEMENT: MASTER RESELL RIGHTS DIGITAL PRODUCT

This Income Disclosure Statement ("Statement") is intended to provide transparency and clarity regarding potential income or earnings that may be derived from the sale and resale of the Master Resell Rights ("MRR") Digital Product. It is important to understand that individual results may vary, and any income or earnings mentioned in this Statement are not guaranteed.

### 1. General Information

The MRR Digital Product provides you with the opportunity to resell the product and potentially earn income. However, the success and profitability of your reselling efforts depend on various factors, including but not limited to your marketing strategies, target audience, competition, and market conditions.

### 2. No Income Guarantees

There is no guarantee or assurance that you will generate any specific level of income or earnings from the sale and resale of the MRR Digital Product. The income or earnings mentioned in promotional materials, testimonials, or examples are not typical and should not be considered as representations, warranties, or guarantees of your potential income.

### 3. Individual Effort and Skill

Your success in reselling the MRR Digital Product is dependent on your individual effort, skills, and dedication. Your ability to effectively market and sell the product, as well as build a customer base, are critical factors that impact your potential income.

### 4. Market Factors

The income or earnings derived from the sale and resale of the MRR Digital Product can be influenced by market conditions, customer demand, competition, pricing strategies, and other external factors beyond our control. These factors can vary over time and may affect your ability to generate income.

### 5. Business Risks

Any business venture, including the reselling of digital products, carries inherent risks. These risks include but are not limited to market fluctuations, changes in consumer preferences, legal and regulatory requirements, and economic factors. It is important to conduct proper due diligence, research, and risk assessment before engaging in any business activity.

### 6. Forward-Looking Statements

Any statements or projections regarding potential income or earnings, including future financial performance, are forward-looking statements. These statements are based on assumptions, estimations, and projections and should not be considered as guarantees of future results. Actual results may differ materially from those expressed or implied in these statements.

### 7. Consultation and Professional Advice

It is recommended that you consult with qualified professionals, such as accountants or business advisors, before making any decisions or taking any actions related to the sale and resale of the MRR Digital Product. They can provide personalized guidance and advice based on your specific circumstances and goals.

### 8. No Liability

We shall not be held liable for any direct, indirect, incidental, special, or consequential damages arising from the use of the MRR Digital Product or any reliance on the information provided in this Statement. You acknowledge that your use of the MRR Digital Product and your reselling activities are undertaken at your own risk.

By purchasing and using the MRR Digital Product, you acknowledge that you have read, understood, and agreed to the terms and conditions outlined in this Income Disclosure Statement.
