

Income Disclosure for Digital Course

This Income Disclosure ("Disclosure") provides information regarding potential income or earnings that can be achieved through the use of our digital course ("Course"). It is important to understand that individual results may vary, and the information presented here should not be considered as a guarantee or assurance of specific income levels. The success or failure of your financial endeavors depends on various factors, including your skills, efforts, market conditions, and individual circumstances.

1. **No Guarantee of Earnings** The income figures and examples provided in this Disclosure are for illustrative purposes only and are not intended to represent or guarantee any specific income or earnings. Any claims or representations regarding income potential or earnings made in testimonials, case studies, or examples do not guarantee that you will achieve the same results.
2. **Individual Results** Your results from using the Course may vary based on your personal abilities, skills, knowledge, and level of commitment. Your success in applying the strategies and techniques taught in the Course depends on your dedication, work ethic, and the amount of time and effort you put into implementing them.
3. **Market Conditions** The income potential and market conditions in various industries and niches can fluctuate and are subject to change. Factors such as economic trends, competition, consumer demand, and market saturation can impact the potential for financial success.
4. **Business Risks** Running a business or pursuing entrepreneurial endeavors involves inherent risks. These risks include, but are not limited to, financial investments, time commitments, market volatility, competition, and potential losses. It is important to carefully consider these risks and conduct your own due diligence before engaging in any business activity.
5. **Testimonials and Case Studies** Any testimonials or case studies presented in the Course are provided by individuals who have achieved certain results and are not necessarily representative of the results that you may achieve. The testimonials and case studies are based on the experiences of those individuals and their specific circumstances, and they should not be seen as typical or average results.
6. **Forward-Looking Statements** Certain statements or projections made in the Course may be considered "forward-looking statements" within the meaning of applicable securities laws. These statements are based on assumptions, forecasts, and projections about future events, which are inherently subject to risks and uncertainties. Actual results may differ materially from those expressed or implied in such forward-looking statements.
7. **Professional Advice** The Course is designed to provide educational content and information. It is not intended to be financial, legal, or professional advice. You should consult with qualified professionals regarding your specific situation before making any business or financial decisions.
8. **Your Responsibility** Your success in applying the knowledge and strategies taught in the Course depends solely on your actions, decisions, and personal responsibility. We cannot guarantee that you will achieve any specific results or financial success as a result of using the Course.

By enrolling in and using the Course, you acknowledge that you have read, understood, and agreed to this Income Disclosure. You understand that the information provided herein is for informational purposes only and should not be relied upon as a guarantee of income or earnings.

If you have any questions or concerns about this Income Disclosure, please contact us using the contact information provided in the Course materials.
