

Income Disclosure Statement for Master Resell Rights Digital Product**

The following Income Disclosure Statement ("Statement") is provided by Amy Spence ("Seller") to inform potential buyers ("Buyers") of the income potential associated with the purchase and use of the master resell rights digital product ("Product") offered by the Seller. It is important to read and understand this Statement before making a purchase.

1. ****No Income Guarantees:**** The Seller makes no guarantees regarding the income that Buyers may generate from the sale or distribution of the Product. The income potential associated with the Product is highly dependent on various factors, including the Buyer's marketing efforts, target audience, competition, pricing strategy, and market conditions. Therefore, any income figures mentioned in promotional materials or testimonials should not be interpreted as typical or guaranteed results.
2. ****Individual Results May Vary:**** The Seller acknowledges that individual results may vary significantly. The income or success achieved by one Buyer does not necessarily imply that others will achieve similar results. Each Buyer's level of success will be influenced by their own skills, knowledge, experience, and dedication to implementing effective marketing strategies.
3. ****Assumptions and Limitations:**** The income figures or examples presented by the Seller are intended to demonstrate the potential earnings under certain circumstances. However, these figures are based on hypothetical scenarios and should not be considered as exact representations of what a Buyer may achieve. The Seller cannot account for all possible variables and circumstances that may affect income generation.
4. ****Business Risks:**** The sale or distribution of the Product involves inherent business risks. The Seller cannot guarantee the demand, popularity, or acceptance of the Product in the marketplace. Buyers are responsible for conducting their own market research and due diligence to assess the viability and profitability of selling or distributing the Product.
5. ****Marketing Efforts:**** The income potential associated with the Product is highly dependent on the Buyer's marketing efforts. Successful marketing requires effective strategies, such as advertising, search engine optimization, social media promotion, content creation, and building a customer base. The Seller does not provide marketing services or guidance, and Buyers are responsible for implementing their own marketing strategies.
6. ****Professional Advice:**** The Seller recommends that Buyers consult with qualified professionals, such as accountants, attorneys, or business advisors, before making any business decisions related to the sale or distribution of the Product. Professional advice can help Buyers understand the legal, financial, and tax implications of their activities.
7. ****Forward-Looking Statements:**** Any statements or projections regarding potential future earnings or income levels are forward-looking statements and should be treated as such. Such

statements are not guarantees of future performance and are subject to risks, uncertainties, and assumptions that could cause actual results to differ materially from the anticipated results.

8. ****No Endorsement:**** The Seller does not endorse or promote any specific income claims made by third parties regarding the Product. Any statements or testimonials from individuals or entities are provided for informational purposes only and should not be considered as endorsements or guarantees of income potential.

By purchasing or obtaining the Product, Buyers acknowledge that they have read, understood, and agreed to be bound by this Income Disclosure Statement. Buyers should exercise sound judgment, conduct thorough research, and make informed business decisions based on their own assessment of the income potential associated with the Product.
