

Income Disclosure Statement for Master Resell Rights to Roadmap To Success

The following Income Disclosure Statement ("Statement") provides important information about the potential income and earnings associated with the sale and distribution of the master resell rights digital product Roadmap To Success. It is important to understand that actual earnings can vary significantly and are dependent on various factors, including individual effort, marketing strategies, market conditions, and other variables.

No Guaranteed Income:

- 1.1. Roadmap To Success is provided as a resell opportunity, but there is no guarantee of specific income or earnings.
- 1.2. The Licensee acknowledges that individual results may vary and that success in reselling the Roadmap To Success is not guaranteed.

Individual Effort:

- 2.1. The Licensee's earnings potential is directly related to their individual effort, dedication, and commitment to marketing and promoting Roadmap To Success.
- 2.2. The Licensee must actively engage in marketing activities, develop effective sales strategies, and continuously seek opportunities to generate sales.

Market Conditions:

- 3.1. Market conditions, competition, and consumer demand can significantly impact the Licensee's ability to generate sales and earn income from the Roadmap To Success.
- 3.2. The Licensee acknowledges that market factors beyond the control of the Licensor may affect the demand and value of the Roadmap To Success.

Income Examples:

- 4.1. Any income examples or success stories provided by the Licensor or other Licensees are for illustrative purposes only.
- 4.2. The income examples do not guarantee or represent the typical results that a Licensee may achieve.
- 4.3. The Licensee's success and income potential are dependent on their individual skills, efforts, and market conditions.

Business Expenses:

- 5.1. The Licensee is responsible for covering any expenses related to their reselling activities, including but not limited to marketing, advertising, website development, and customer support.
- 5.2. The Licensee acknowledges that business expenses can reduce overall earnings and should be carefully considered and managed.

No Income Advice:

- 6.1. The Licensor does not provide financial, legal, or tax advice related to the Licensee's income potential or business activities.
- 6.2. The Licensee is advised to consult with appropriate professionals regarding financial, legal, and tax matters.

Forward-Looking Statements:

- 7.1. Any statements or projections regarding future income, earnings, or success are forward-looking statements and are subject to risks and uncertainties.
- 7.2. The Licensee acknowledges that actual results may differ materially from those expressed or implied in any forward-looking statements.

It is essential for the Licensee to approach their reselling activities with realistic expectations, a diligent work ethic, and a commitment to providing value to customers. The Licensor encourages Licensees to conduct their due diligence, seek professional advice when necessary, and make informed decisions based on their own assessment of the market and their individual circumstances.

By engaging in the reselling activities associated with the Roadmap To Success, the Licensee acknowledges that they have read, understood, and agreed to the terms and information provided in this Income Disclosure Statement.
