# Joy Wilburn

Hi, I'm Joy Wilburn! I am the founder of Breaking Curses 101 School of Deliverance and author of *Removing the Barriers to Healing*.

My journey to deliverance ministry started when my mother died of cancer at age 52. We lived a Christian life according to the teachings of the bible and the holiness church. So *I didn't understand why we couldn't get a life saving prayer through for her.*

It was 1985 and I was in my 2nd year of college as a mechanical engineering major and had to decide to either trust God or walk away from my faith. But I held on blindly trusting that I would understand it better by and by.

Then in year 2000, my son's nightmares started. At the time he was 3 years old. This used to happen to my brother when he was a little boy, only my parents didn't know what to do about it. But God showed me in a dream what to do before I even knew my son would come under attack.

I was successfully able to stop the attacks on my son, but there were other negative cycles over my sons and in my family that I didn't know how to deal with.

I went from church to church and conference to conference. I sowed a seed, fasted, ran around the church, shouted and read my bible. I still didn't see a change.

Then God showed me a technique from the bible that I use today to find and break curses. I began to see a change in my immediate family and extended family. I saw a change in my real estate business ventures and finances. Everything got easier.

I had success delivering people in one on one sessions who found me online, but it wore me out and took so much time from my family. And the clients always seemed to need another session. So that inspired me to create my first online deliverance course in 2017, Spirit Spouse Deliverance.

Later I discovered that people still needed mentoring because they had questions about what they were experiencing as they began to get delivered. So I created more courses and started a mentoring program.

Since that time I have *served over 5400 people* through the Breaking Curses 101 School of Deliverance with online classes, group deliverance, conferences, retreats, face to face meetings and one on one sessions.

I've seen marital curses broken and women get married. I've seen broken families become whole. Physical and mental healing is also a regular occurrence in the ministry.

*I have many reports of financial curses breaking and money supernaturally being transferred into bank accounts.* Careers also get unblocked and businesses flourish.

The school has hundreds of hours of unique deliverance replays and courses that touch on topics that mainstream deliverance ministries never deal with.

The materials can be accessed anytime from any location. It literally is *Deliverance on Demand.*

The courses are **actual deliverance sessions** that walk you through deliverance. They expose and break off layers upon layers of ancestral strongholds. These course sessions get better results than a typical face to face deliverance session. And *you can replay them as many times as you like for a unique experience each time.*

Combine this with monthly mentoring and more deliverance in the group sessions. Then throw in access to one on one sessions. And *you have the deepest and most thorough deliverance experiences in the 21st century.*

- You no longer have to pay for a flight and a hotel or take time off work to go to a conference.
- You no longer have to search for a deliverance church in your city.
- You no longer have to recite general self-deliverance prayers that aren't specific to your situation.

## You're no longer doing this alone

These course deliverance sessions are *guided by the Holy Spirit* and each session is tailored to your personal needs.

You'll make *accelerated progress* towards your financial and relationship goals as the root of the hindrances in your life are exposed and eliminated. What you have been trying to accomplish in a lifetime, you'll be able to do in days because the road blocks will be uprooted.

You'll make *amazing discoveries* about your ancestry as your spiritual sight is activated and your dream life explodes. Students testify that the things they discover about their families' bloodlines are more accurate than any of the genealogy search sites.

## Who is this program for?

This program is for those that have *tried everything* including self-deliverance books, fasting, midnight prayers, traveling to conferences and said they still had the same struggles.

I'm not saying fasting doesn't work. It's biblical, but what people don't understand about prayer and fasting is that God sends an answer in response to the fast. Many are missing that answer. They are basically just starving themselves and are blinded to the answer.

## This is the answer you have been fasting and praying for.

This program provides *endless hours* of in-depth deliverance you would never get in any church service simply because of the time and space constraint.

The courses provide refresher deliverance for continuing students. Each time a student is led by the Holy Spirit to go through a course, a new stronghold is revealed and destroyed.

## WHAT'S IN THE *Program*

- 25 Courses + 2 New Courses
- 100+ hours of Deliverance Replays
- 1 on 1 Session + 2 Follow-ups
- Group Coaching
- Workbooks
- Conference VIP Ticket
- Conference Replays
- Removing the Barriers to Healing Ebook

# THINGS TO *Review* BEFORE YOUR CALL

My goal is to deliver as many people as possible in an efficient manner through this program.

Now, obviously, this program isn't going to be for everybody. Although many experience freedom overnight and get those 5 and 6 figure breakthroughs after a short while, in order to maintain their freedom, they need continuing mentoring for a short while or they lose it.

There is a certain work ethic and commitment needed in order to achieve these types of results and I need to prioritize my time with those who are willing to put in the work to achieve success.

**Ultimately, the purpose of our call is to see if we will be a good fit to work together on your deliverance journey.**

If I think you'll be a good fit to work with me, I'll show you how I can help (based on your specific situation and your needs) and you can decide whether you want to become one of my success stories. If it all feels like it's a bit too much to take on, I'll offer you other resources that will be helpful for where you are right now.

**Now you may be wondering....  
"Will this really work for ME?"**

It's natural for people to doubt whether they will ever gain ultimate spiritual freedom. What I can say is that the Breaking Curses 101 will give you all of the necessary skills, structure and support to break generational curses not just over your life but over your entire bloodline.

But ultimately, whether or not this program will work for you will be determined on the call after I ask you some deeper questions. So, to get the absolute most out of our call together, it's important that you review the videos in the guide prior to talking with me.

Hey Mrs.Joy

I've finished your "Fight Witchcraft & Win" course and I've been throwing out certain perfumes, clothes, satanic objects,wigs,shoes, blankets,jewelry & even some of my makeup that's connected to the marine kingdom. I believe a veil was remove from my eyes. Hallelujah! And when I am out in public people has been really ugly towards me. For example ugly stares & bad customer service lol And you know in my mind I am like "yeah you know I see you big headed demon Holy Spirit fire!" 🔥 🙏🙏 Anyways hell is about to hate me because I am coming after every demon in my bloodline with no mercy amen 😊 I love you Joy & really appreciate your time to teach the body of Christ. I look forward to level 2 soon

So when I was on Pharmakeia videos multiple things happens

1. 45 points when up on my credit score
2. My phone kept acting i during the Pharmakeia deliverance prayer
3. Weird dream but I only remember half of it While sleeping I had to rebuke demons
5. I felt so refreshed this morning like a burden was removed

I'm happy but I will continue to purchase the book of healing because I'm so much in pain and I found out during the first watching of this video

**Maria Garcia**

I love the classes, I had found pallets of things that need to be removed in my life and on the life of my family it's starting with bautismo in the Catholicism and I definitely will be victory over Satan<sup>[OBJ]</sup>. In Jesus mighty Name

This course really was more than I expected. It provided freedom from a soul fragment in the family bloodline that I didn't know about. It healed it. Thank God! Moreover, this course brings restoration to the family. I did not know that it would do that, too! It's a quite insightful and effective course. God's anointing is resting on it. I definitely went through some deliverance, which I strongly felt during this course!

For the second time I put pause and started forgiving my parents, siblings, childhood friends and teachers and employers for rejecting me. And then I started your prayer and as u started to break the spirit of Jezebel and rejection I saw in a vision where dark clouds just going out of me, clouds and clouds of darkness were just going off and I could see clear sky and bright shining light. Thank you Joy, hope to play it over and over. 🙌🙌🙌🙌

It has been and is a pleasure and honor to work with Joy Wilburn. When my husband and I were looking for answers we found one of her YouTube videos. Her ministry is one of about three that has been over-the-top for us after seeking deliverance for over 25 years.. We have had things identified and dealt with permanently. Thank God, Jesus, Holy Spirit, Word of God and thank you Joy Wilburn.

Testimony. Praise Break. Hallelujah. My 3 yr old autistic grandson has spoken his first words, momma and daddy!!!

We are all so proud of him, I thank God that the prayers from breaking curses 101 are working over his life.

I just want to encourage you to keep at it, keep believing, keep the faith. I'm a witness that Joy's ministry is anointed by God. I saw, and heard him speak. He never spoke out loud, his parents are ecstatic!!! It's true, when you get delivered, your family gets delivered too.

To God be the glory. Thank you Joy.

I did the spirit spouse video and got deliverance in my dreams. I had 3 spirit spouses come to me all having a different spirits Lust, poverty and anger. After I rejected those then I found out who the strong Man was. Now am working on that.

Wow, this is good. I needed this. I cried throwing away my weaves and hair dye's and sold all my jewelry for pennies and spent thousands of dollars on it. I kept hearing the Holy Spirit tell me give it up and don't worry about it. This is confirmation, thank you for sharing your wisdom

Your free content on YouTube has helped me a lot! In a time when I did not have anyone to have conversations with about spiritual warfare, Holy Spirit brought me so much comfort and also some revelations through that aspect of your ministry; thank you for pouring so much of yourself into it. May God bless you continuously!

What I learn from this ministry is sharpened with and confirmed by the reading of the Bible. Every promise God gave us, we already have through Jesus's victory on the cross. We just have to step out in faith to get it using the authority Jesus gave us (Luke 10:19 I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you.). Oh how he loves us!

Thank you, for doing the work and helping people get set free. I just completed the modules...

My father is from South Carolina! For a few years I knew something was terribly wrong with my bloodline abs family members. I noticed poverty, low pay, incarceration, raggedy clothing, and too much police encounters in my family. I noticed my pay was very very stagnant and stuck. Right after I did this deliverance session I received a 150k+ a year job offer. I could never make this amount of money before this deliverance. I was manifesting the whole time.

## **Q: Will my information remain private?**

All one on one sessions are private. I do not share videos with anyone. I try to use the information I learn to share with others as anonymously as possible, so they can learn and gain their freedom.

The group sessions are posted in the school site in the membership portal. The members are paying for those sessions so I have to give access. I have been getting reports of people getting powerful deliverances by watching those sessions.

The testimony service videos are open to anyone who logs into the school. And some testimonies are edited and uploaded to Youtube. Private sessions are never uploaded to YouTube.

## **Q: Do I have to be seen on Video?**

During my sessions, if I don't know you, I want to see you on video. And if it's a free class, I'm trying to avoid trolls. So I want to know who's in there, if you want to be helped on a one-on-one basis in the group sessions I need your video on.

## **Q: How long does it take to get completely delivered?**

Deliverance happens in layers. Your level of freedom depends on how extensive your problem is coming into the process and how much time and effort you dedicate to the deliverance process. Some experience freedom right away, but get too comfortable and come under attack. Some are steady and stick with the process and see enormous victory. It's up to you.

**Q: Why Do You Charge for Deliverance?**

Deliverance is free, but the tools and systems that you are being provided are not free. The school site and program costs tens of thousands to develop and maintain. This cost increases as the number of students increase. All fees collected support this system. Just like a paper bible is not free even though it is the Word of God, nothing in this world is really free.

**Q: How long do I have to stay in the program?**

After your commitment, you can cancel anytime. There are different levels of commitment and you can choose any level you think is best for you. You can upgrade, downgrade or cancel at anytime.

**Q: If my family member is interested in the program, do they need to separately sign up?**

I encourage you to share the program with anyone in your household. However, they cannot share your one on one sessions. Also, please be mindful, that this is a ministry and any support is appreciated.

## **Q: Can you guarantee that I'll be delivered?**

Deliverance is not magic. Jesus is the deliverer and he promises to set you free. But you need faith to access this deliverance. "He that comes to God must believe that he is and that he is a rewarder of him who diligently seeks him." Hebrews 11:6

If you have faith and stick with the process and resist temptation you will be delivered. But if you are looking for someone to do this for you, or if you're looking for a quick fix, this is not for you.

To be honest, people go through my courses multiple times and get a different deliverance experience everytime. This is because you can have more than one of the same strongholds that came in at times in your bloodline.

This deliverance program allows you to spend hundreds of hours getting the deliverance you need without making an appointment with anyone or trying to fly to a conference to seek out a deliverance minister.

## **Q: What time are your classes and how often are they?**

The classes are self-paced and you can access them at your convenience. And the meetings are monthly.

## **Q: When does the group meet?**

The group meetings are 2-3 hours at least once per month on a Saturday. (depending on your membership level). If you miss a meeting, the replay will be uploaded in your membership site.

**Q: Should I fast and how long before a deliverance session or class?**

I recommend a 2-3 day fast. If you can't, just get alone for a few days. Also, unplug from social media and TV / videos and friends during the fast.

**Q: Is it safe to watch the videos alone?**

You have already lived through the worst trauma. That is what drove you here. Getting free will be nothing compared to staying bound.

If you've ever watched those exorcism movies on TV or deliverance ministry videos they look pretty scary. In fact, I think that is the reason people are so scared of deliverance ministry. For the most part spirits manifest as loud thoughts or memories in your mind. Jesus and the angels are with you during the classes so you feel safe.
