

Income Disclosure Statement

Last updated: July 4, 2023

The income disclosure provided here is intended to inform you about the potential earnings or income associated with engaging in the master resell rights of this digital product. This Statement should be read in conjunction with our terms and conditions and any other relevant documents provided.

1. Earnings Disclaimer

1.1 We make no guarantee or representation regarding the income or earnings that you may achieve by engaging in the master resell rights of the Product. The income potential is highly individual and subject to various factors, including but not limited to personal effort, market conditions, competition, and sales skills.

1.2 Any earnings or income examples provided should not be considered as typical or average results. The examples are provided for illustrative purposes only and should not be interpreted as a guarantee or promise of actual earnings or income.

2. No Warranty of Success

2.1 The success or failure in generating income through the master resell rights of the Product depends on numerous variables, including your skills, knowledge, and dedication to the business. We cannot guarantee that you will achieve any particular level of success or income.

2.2 The examples and testimonials provided by other participants are not intended to represent or guarantee that you will achieve the same results. Individual results may vary, and your success is determined by your own efforts, abilities, and market conditions.

3. Assumption of Risk

3.1 By engaging in the master resell rights of the Product, you acknowledge and agree that any income or earnings derived from your efforts are solely your responsibility. You assume all risks associated with engaging in the master resell rights, including the potential for financial loss.

3.2 We recommend conducting thorough research and due diligence before engaging in the master resell rights. You should carefully assess the feasibility, market demand, competition, and potential risks involved.

4. Independent Business

4.1 You are an independent business owner when engaging in the master resell rights of the Product and not an employee, agent, or representative of ours. You are responsible for your own business operations, including marketing, customer service, and compliance with relevant laws and regulations.

4.2 We are not responsible for any liabilities, losses, or expenses incurred by you in connection with your engagement in the master resell rights.

5. Consultation and Professional Advice

5.1 We strongly recommend that you consult with qualified professionals, such as accountants, lawyers, or business advisors, before making any financial or business decisions related to the master resell rights of the Product. Professional guidance can help you assess risks, legal requirements, tax implications, and other factors that may impact your income potential.
