Choose the appropriate booklet for your child. Booklets are labelled A, B, C, D so that you can choose a level that is appropriate for you child. (eg: a teenager, who is a new Christian, may benefit more from the middle school booklet, as the language is simpler. Or you may have a year 3 (Junior) who is a very competent reader and would benefit from the middle booklet, and a year 1 (Junior) who would benefit more from the Pre-School level booklet.)

Booklet A = Toddlers/Pre Schoolers (Age under 5 years)

Booklet B = Junior Schoolers (Age 6-9 years)

Booklet C = Middle Schoolers (10-13 years)

Booklet D = Teens/Adults (Age 14+ years)
