

# CHILD OF THE KING

## STEPPING STONES

Romans 8:15-16 - Print Pages 4, 12-18

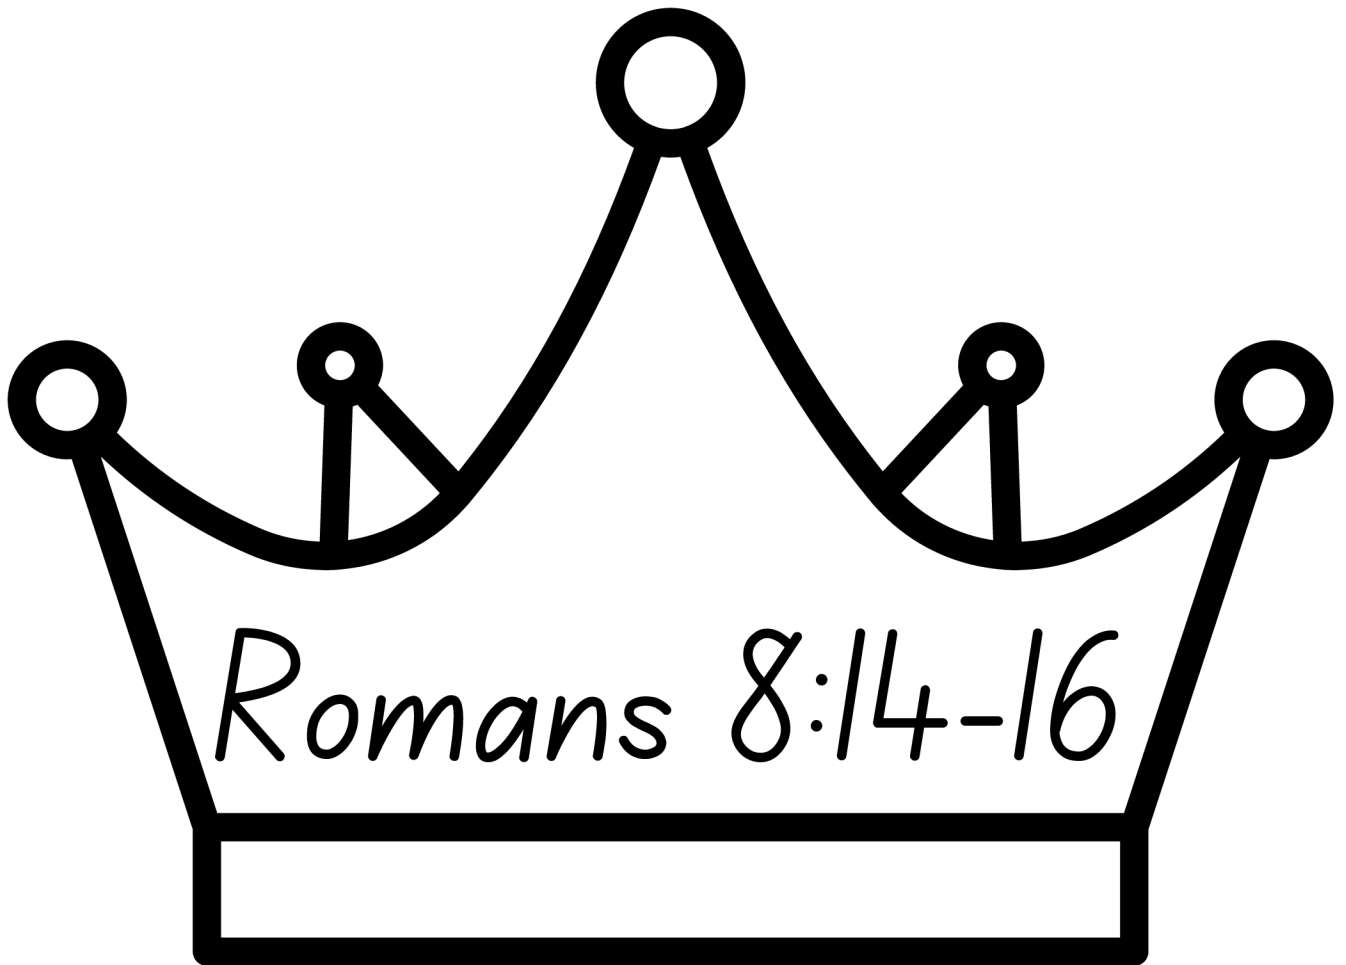

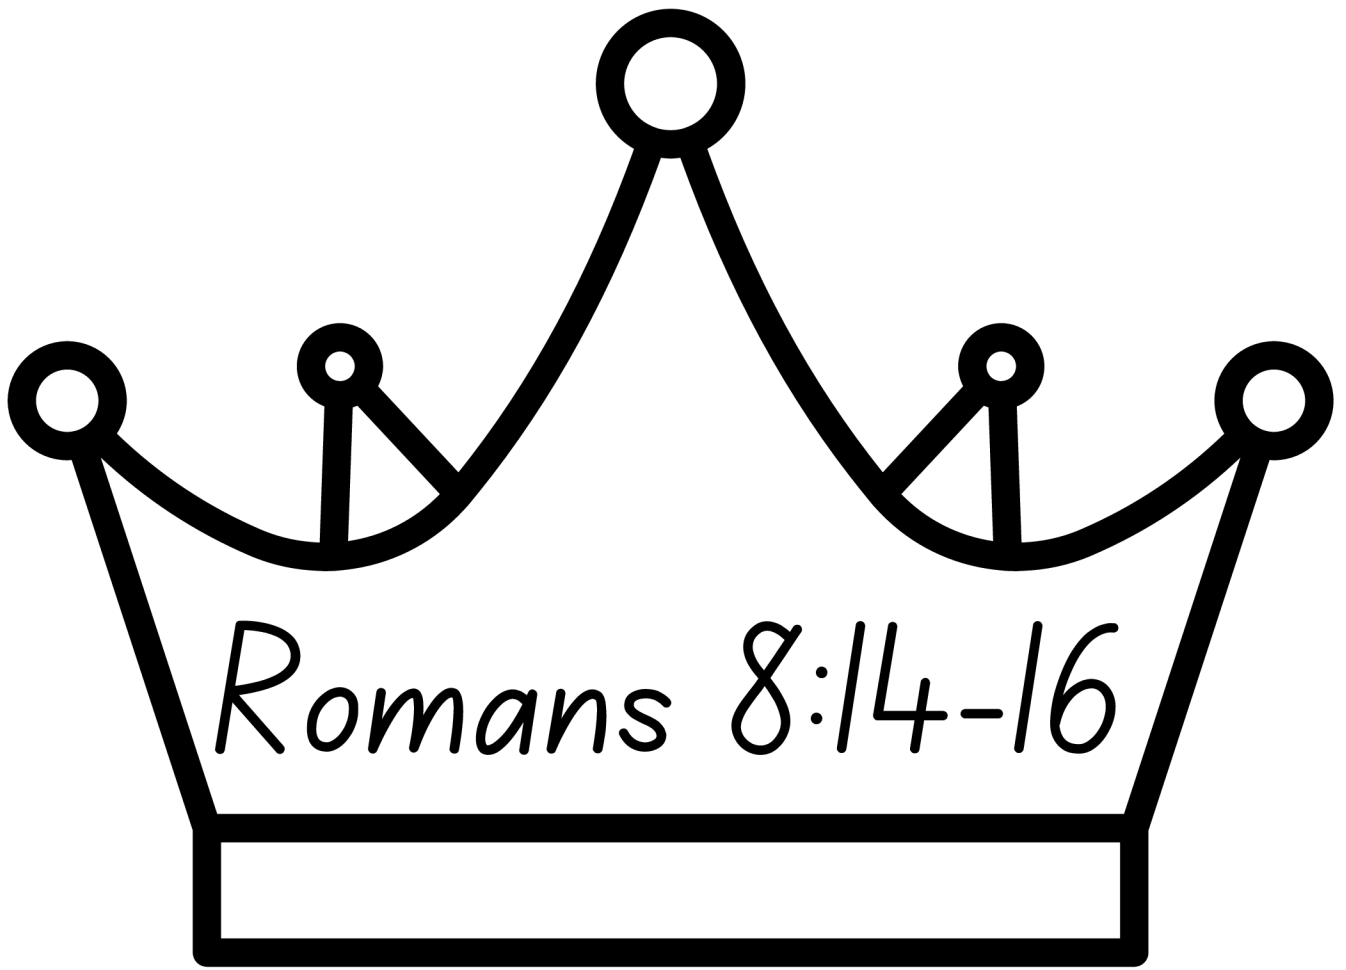

Romans 8:14-16 - Print Pages 3, 5-18

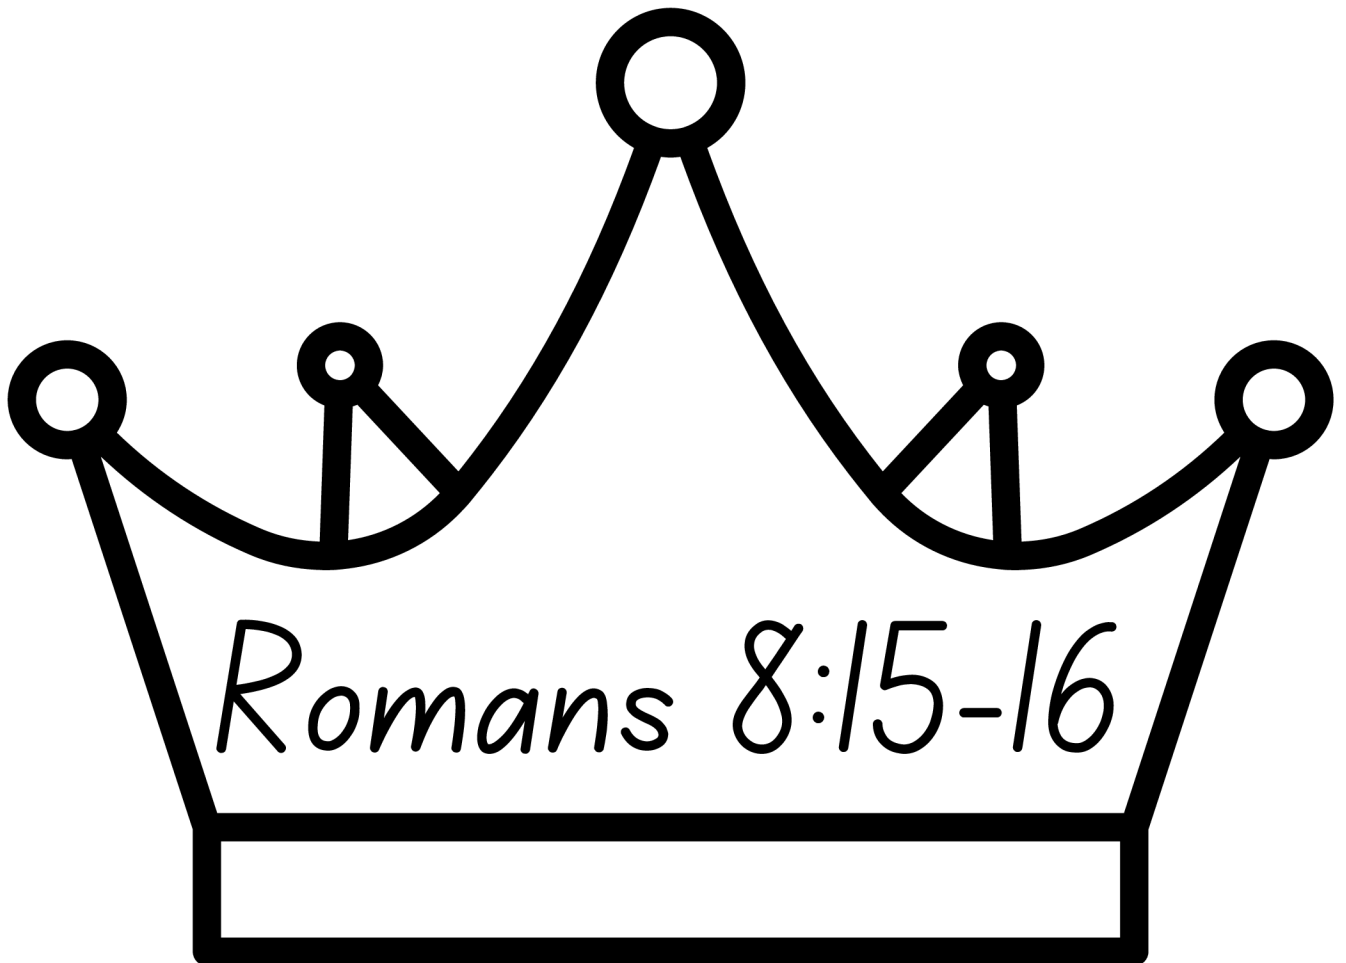

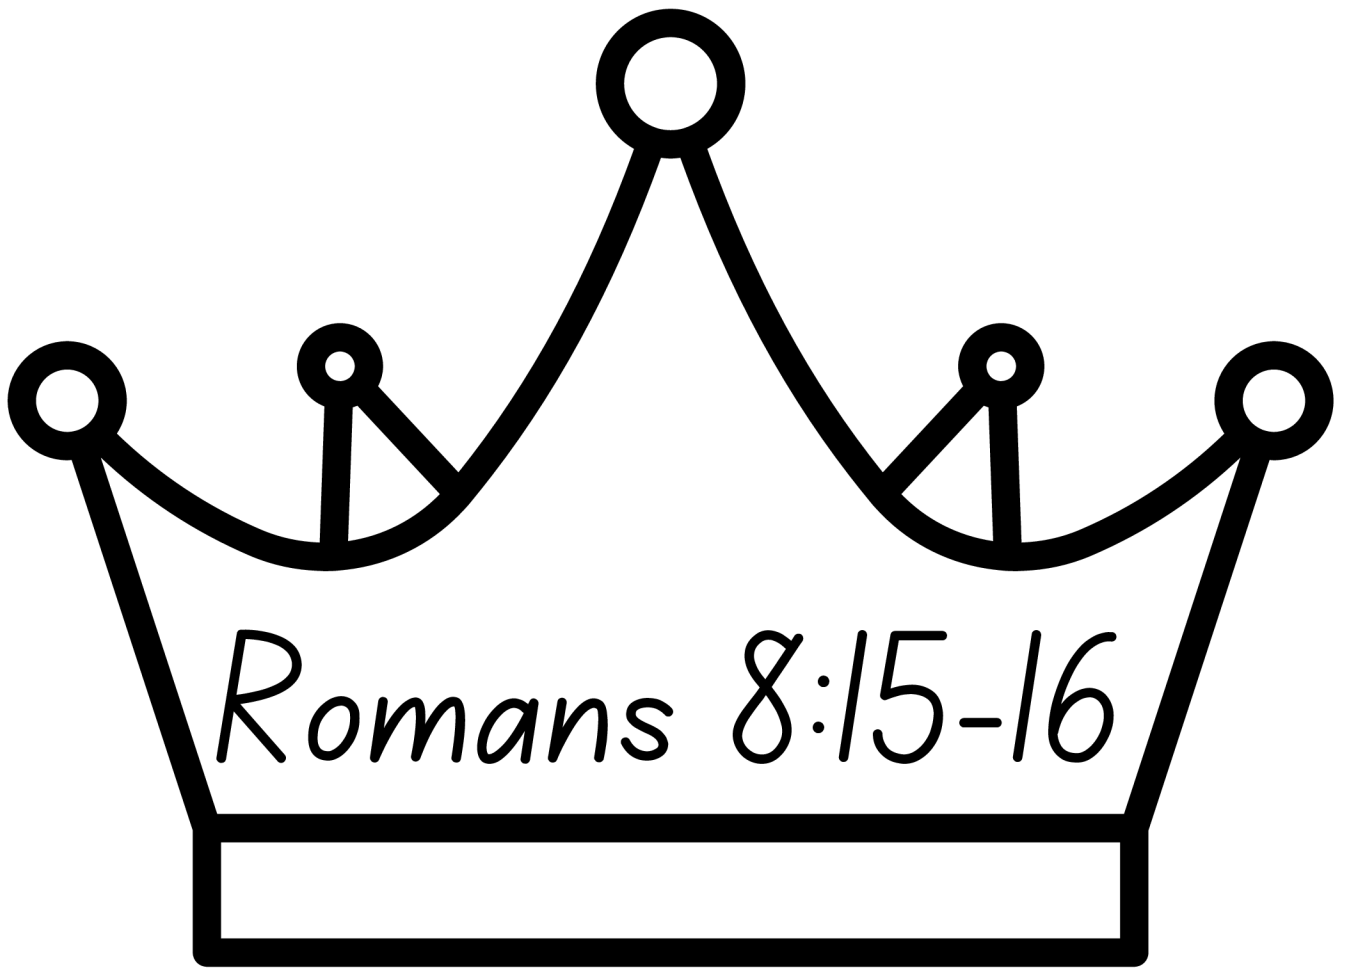

Cut out the crowns and lay them on the floor in an area you child will frequent. Up the stair, down the hallway etc.

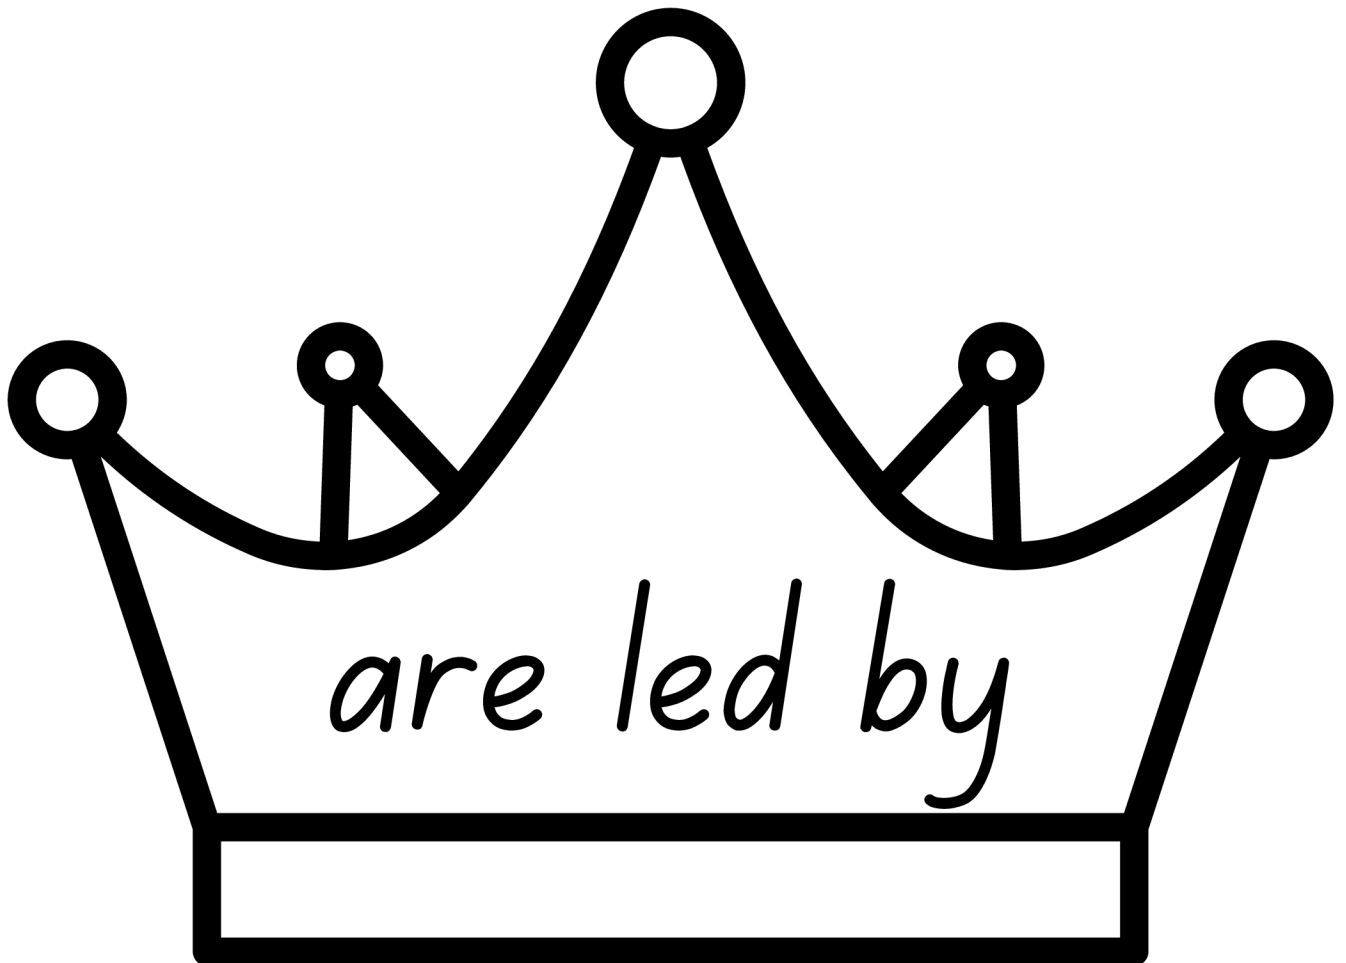

As you walk along them, say the verse together. Even young children who cannot read, will get the rythm of the verse and will learn it as you say it with them.

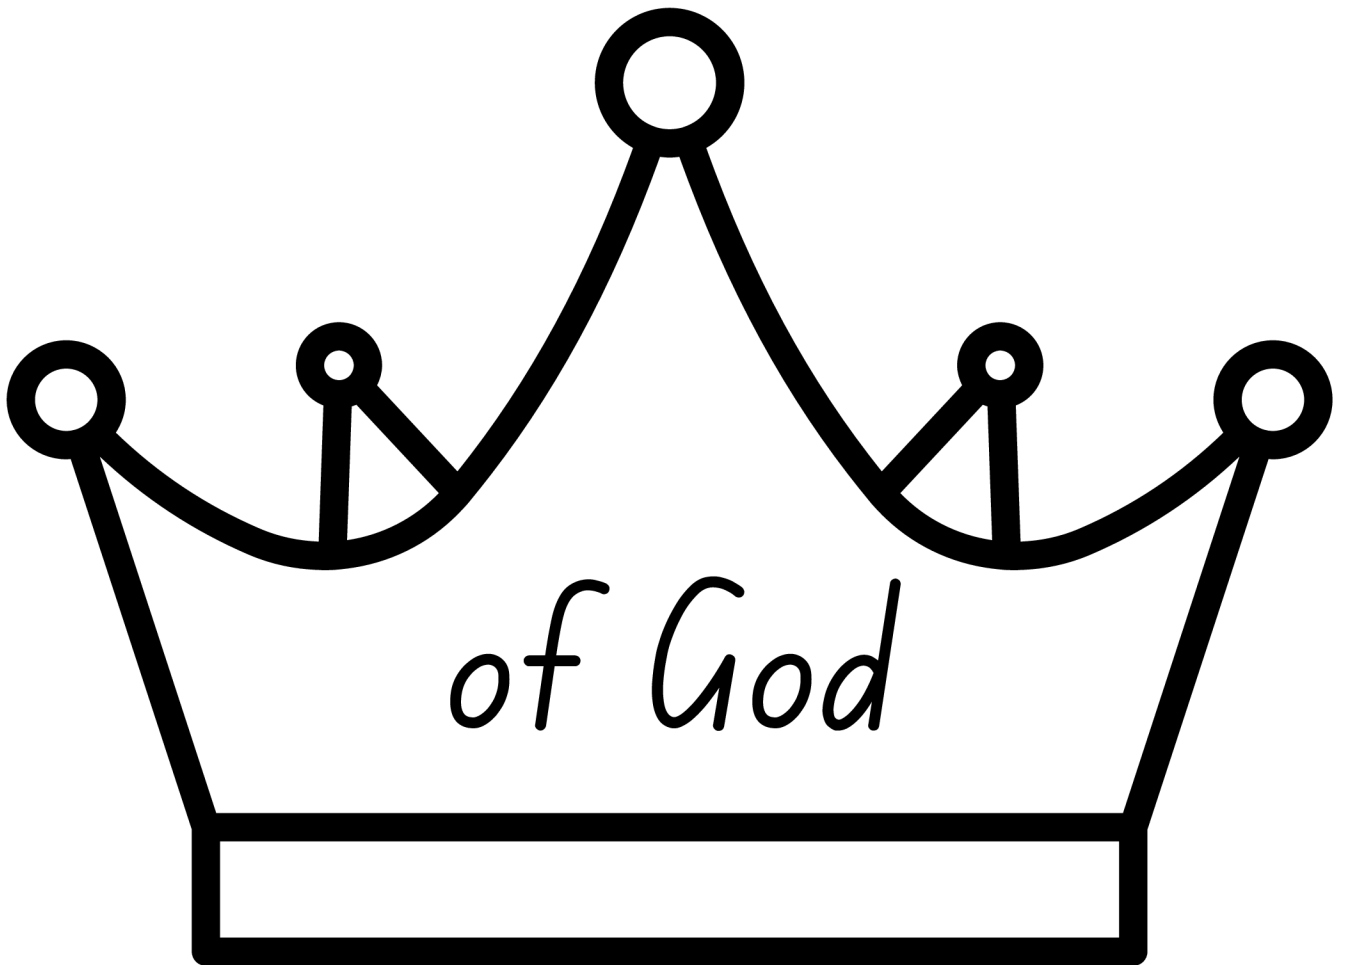

After a few days, begin to replace some of the crowns with those on the page 18.

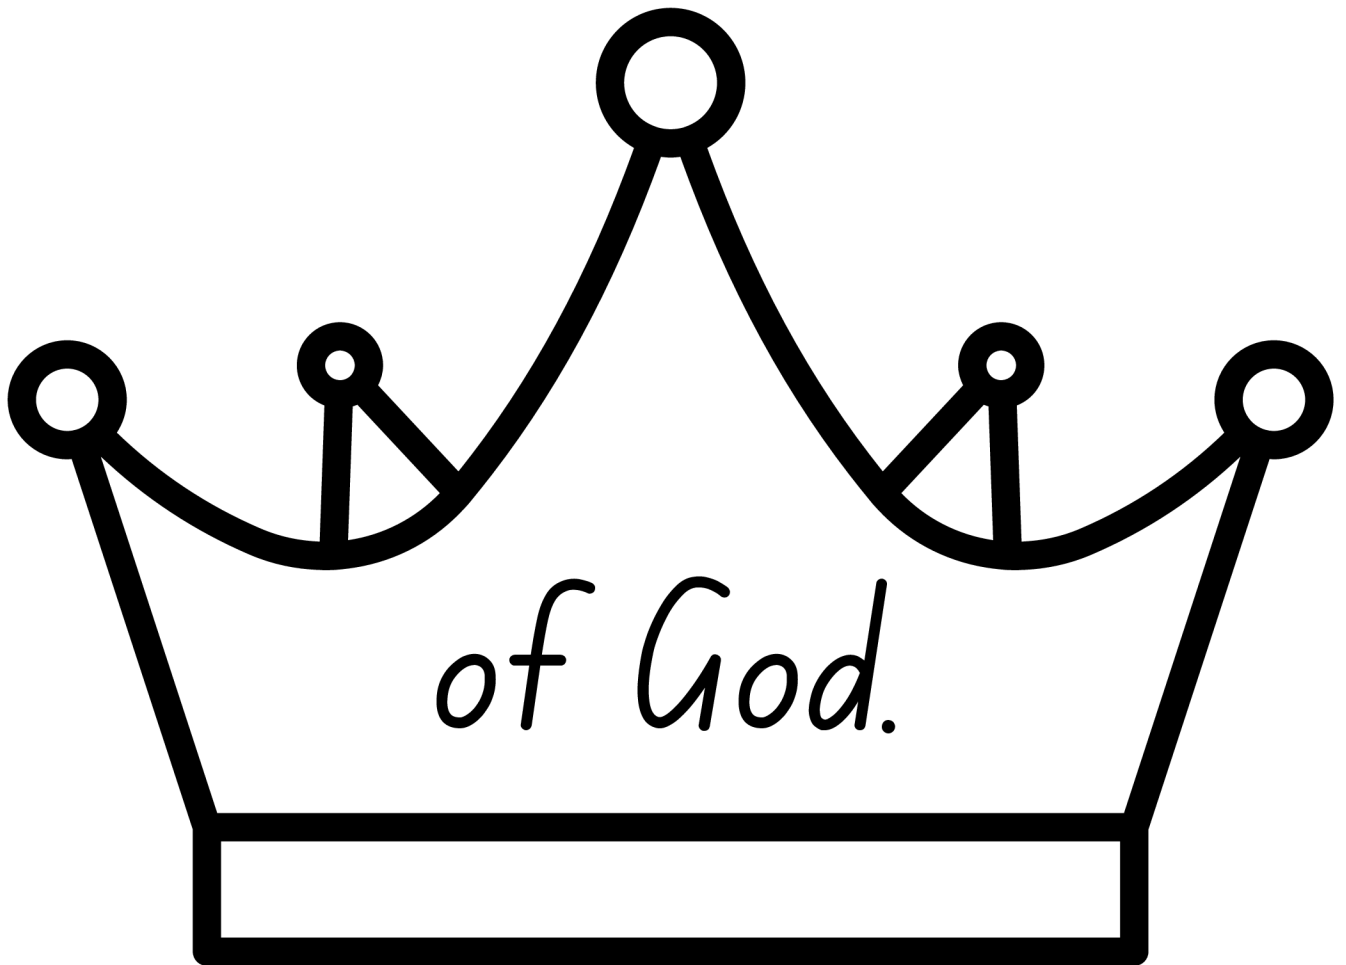

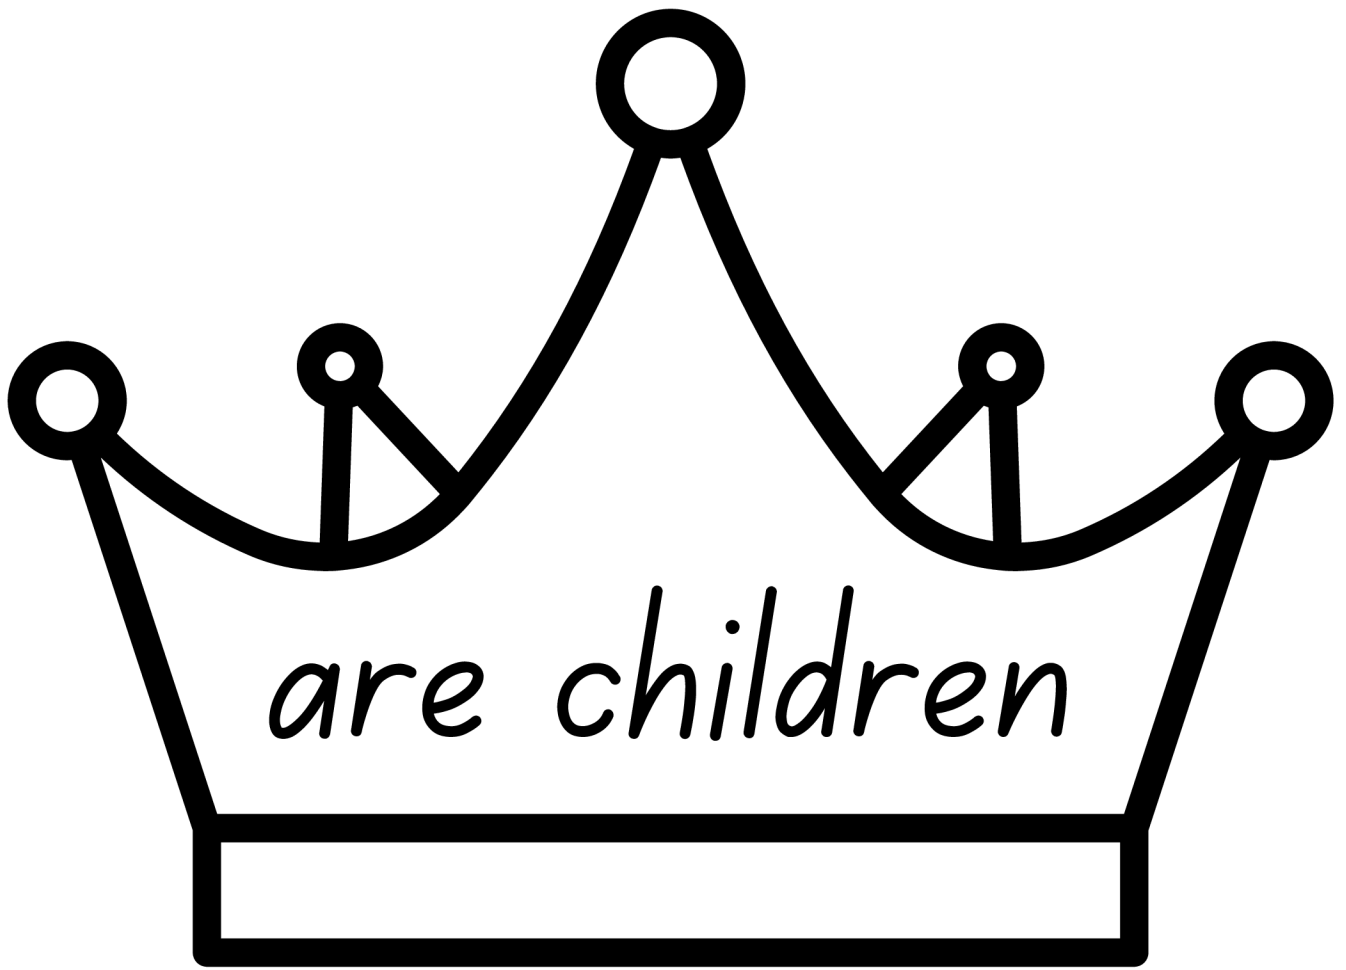

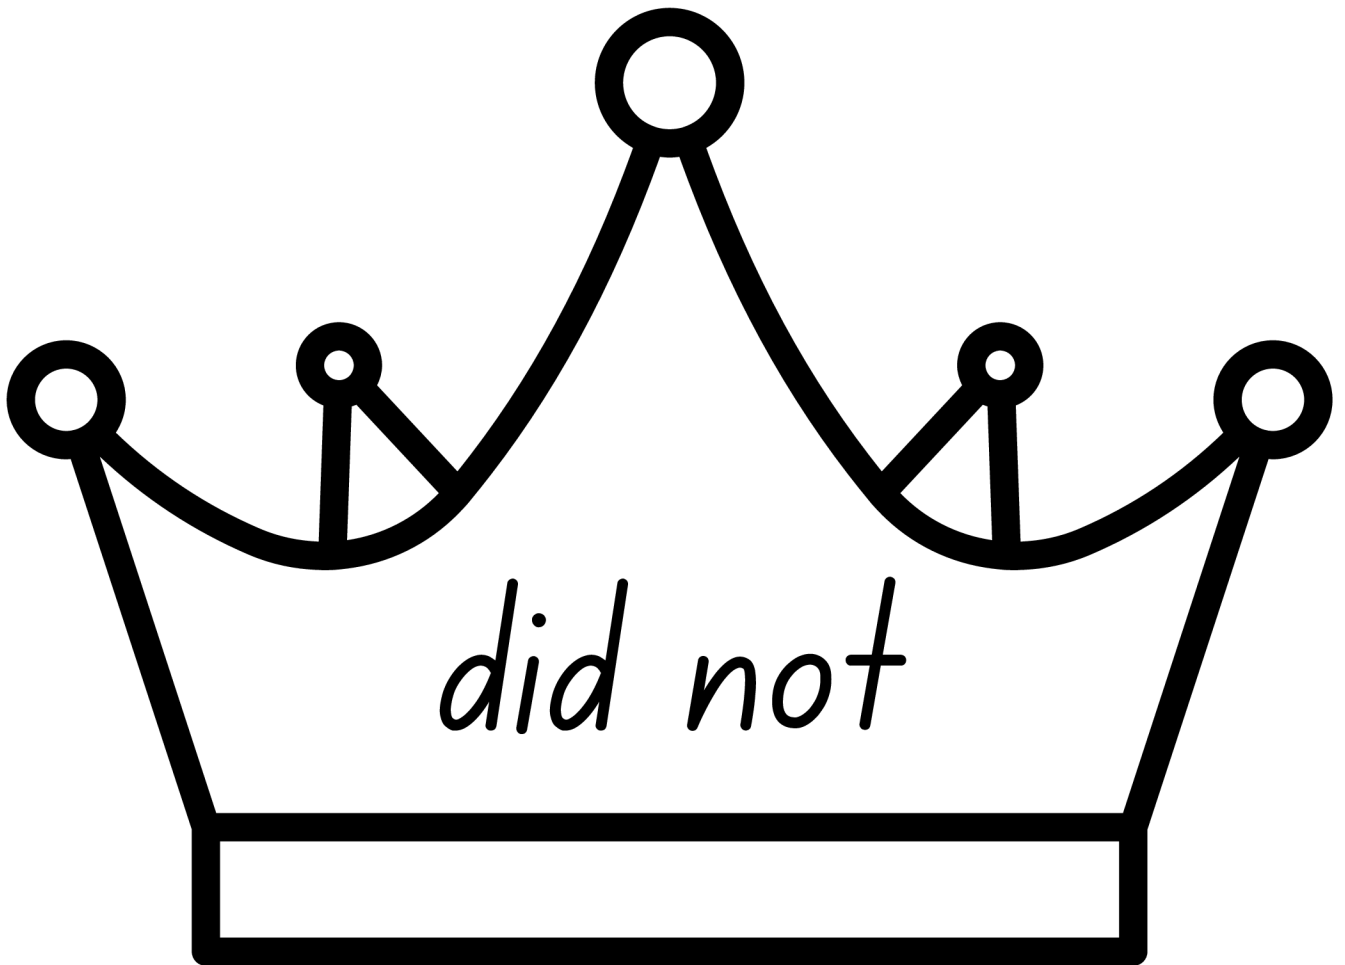

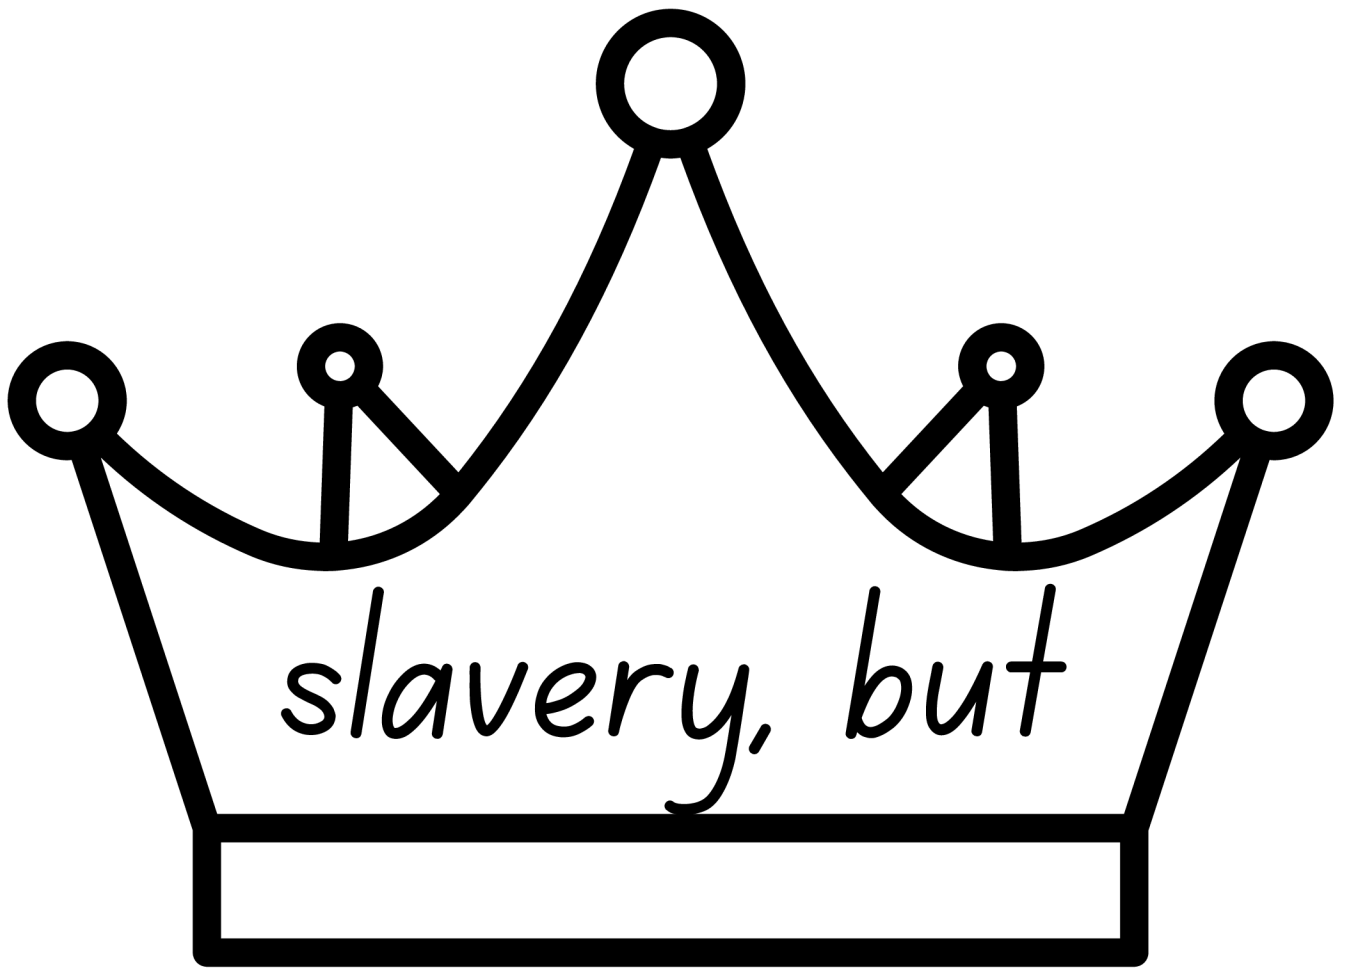

*adoption.*
