Options for Live Transcription

Create text versions of speech without significant delay

- Captions
- Subtitles
- Editable Documents

Speech-to-Text

Speech-to-Audio Recording

The audio file / sound file may then be transcribed either in real time or after the event

7

Speech or audio recording/file

Captions

Synced/ Time stamped with video

8

Speech or audio recording

Transcription

(Conversation, presentation, meeting)

May be synced/ Time stamped with video

May be a stand alone document-editable

9

The use of speech-to-text (STT) is a helpful feature for people with writing challenges

- Speaking may be easier than typing or writing by hand
 - Writing disability- dysgraphia
 - Physical limitation- broken wrist/ dexterity/ arthritis
 - Visual challenges
 - Spelling issues
 - The device and keyboard are very small

10

All current devices and browsers offer speech- to-text

11

The use of text to speech while listening can be a terrific feature to support comprehension and learning

- Individuals may better understand printed words than words said aloud
 - Attention issues
 - Auditory processing challenges
 - Hearing impairments
 - Language differences
 - Autism
 - Aphasia
 - Quiet Environment

12

STT Transcripts of conversations, meetings and classes

- Some transcripts can be edited
- Helpful to keep a written record of what everyone said
- Create documents for participants
- Create notes and study guides
- Support people who speak other languages
- May appear in the moment or be available after the recording finishes or within a few hours

13

Speech-to-Text

Affected by:

- Speech intelligibility and fluency
- Microphone quality
- Background noise
- Familiarity of algorithm with the content

14

Look for the microphone already located in the on-screen keyboard

15

Enable dictation from your keyboard on Mac

On a Mac > Apple > System Preferences > Keyboard

16

Enable dictation on a PC

Windows Speech Recognition

On PC with Windows 10 & 11 > Win + H opens the speech recognition at the top of the screen

Some punctuation is automatically inserted. Can dictate actions like "new line" and "undo that".

Can train to improve performance.

17

Enable dictation on a Chromebook

Chromebooks-
<https://support.google.com/chromebook/answer/1177893?hl=en>

(Click on the time on the bottom right of screen to access settings)

18

Use dictation with Smart Assistants

Audacity-
Free, open
source, Mac, PC

**Easy Voice Recorder - by
Digipom**

iOS and Android,
Free and Premium
Change the rate of playback, no
time limits, can choose
compressed format, capture
audio from smartwatch or phone,
can use a bluetooth microphone,
can control the recorder from
anywhere. Wear OS support.
In app purchase for full
transcriptions- \$1.99

26

Speech or audio recording

Transcription

Conversation, presentation,
meeting

May be Synced/ Time stamped
with video

May be a stand alone document-
editable

27

Record audio then transcribe

Transcribe Audio in Word

- Record live conversations or upload pre recorded audio or video files and produce a transcript. Visit the recording that is time stamped with the audio and edit as needed.
- Need to be using an online version of Word.

28

Record audio then transcribe later

**Rev Audio and
Voice Recorder-**
Free, Pay for
Transcription

Alice. Free
iOS 10 or MacOS 11.0
and Apple M1 Chip-
Fast and easy, AI
autotranscribe, free
first 119 min.

Voice Recorder and Audio Editor- iOS and Android,
Free and Premium (\$1.99 a month)
unlimited recordings.
Transcribe for a fee. Add notes to individual recordings.
Upload to cloud services, share with others. Can change
playback speeds. Can trim recordings. Record incoming
and outgoing phone calls- need to facilitate a 3 way call.

29

Record audio then transcribe later

- Professional freelance transcriptionists, captioners, and translators**
- Automated Transcription-** \$.25 per minute. Rev's advanced speech recognition transcribes all English audio to text. Automated transcription is perfect for tight deadlines when you need a rough draft. Receive transcripts in 5 minutes for most files. Review and edit the transcript with our web-based editing tools.
- Captions-** Rev adds captions to videos that include the dialogue of your video and important non-verbal elements that set the scene. Captions are more than converting audio to text. caption files are FCC and ADA compliant and meet Section 508 requirements.

30

Instant Live Transcription

Help with conversation
Good with medical terminology, works without wifi, unlimited live transcription, easy reading preferences

Android and Pixel phones - check out live transcribe option in accessibility-
<https://support.google.com/accessibility/android/answer/9158084?hl=en>

\$49.99 a year or \$4.99 a month (7 day trial)
Flip button to read text
Hold mic on the bottom of phone toward speaker

31

Instant Live Transcription

Free, pay for transcription
Chrome, Firefox, Safari Edge, iOS 11 or above, Android 5.0 or above

Can edit along the way- real time annotation
Smart Notetaking and Collaboration apps
Can search for keywords
Share voice conversations

36

Google Chrome Live Transcribe

You can turn on Live Caption for media you play in Chrome. English only.

1. On your computer, open Chrome.
2. At the top right, click More Settings.
3. At the bottom of the Settings page, click Advanced Accessibility Captions.
4. Turn on Live Caption.

<https://support.google.com/chrome/answer/10538231?hl=en>

37

Live Captions- Presentation Tools

<https://support.microsoft.com/en-us/office/present-with-real-time-automatic-captions-or-subtitles-in-powerpoint-69c9c4a-462a-919d-34a7e60007>

<https://support.google.com/docs/answer/9169174?hl=en>

Open Captions- Always in view. Time coded.
May be distracting for some people.

38

Captions- Auto Generating

Immediate but often less accurate than captions typed by a professional

May not be sufficient for certain people with special needs

39

Captions- Can translate into other languages!

Powerpoint for Microsoft 365 can transcribe words as subtitles translated into other languages.

7 languages are fully supported for voice input.
15 languages are partially supported.

It can display captions or subtitles on screen in 60+ languages.

Can also manually add captions or edit them.

40

What is required by law for accommodations?

Students grades Pre-K through 12- IDEA and Section 504 of the Rehabilitation Act

<https://sites.ed.gov/idea/>

Employees in business with > 15 employees, Title I of the Americans with Disabilities Act.

<https://www.eeoc.gov/laws/guidance/fact-sheet-disability-discrimination>

<https://www.understood.org/articles/en/types-of-college-accommodations-and-services>

41

CART- Communication Access Realtime Translation

- May be required by law for an event
- Uses a trained professional provider who translates speech to text
- Can fill in missing gaps and be aware of names and special vocab

- <https://www.captionaccess.com>
- <https://www.acscaptions.com>

42

Subtitles

Originally intended for hearing viewers who don't understand the language

Don't understand sound effects

43

Live Captions- Video Conference

Zoom

Google Meet

Microsoft Teams

Closed Captions- Viewers can turn on or off. Traditionally, included environmental sounds. Time-coded chunks.

44

Live Captions- Video Conference

Zoom

<https://blog.zoom.us/zoom-auto-generated-captions/>

- Click the arrow next to the CC Live Transcript button on the toolbar.
- Click View Full Transcript. The transcript window displays.
- A copy of the full transcript is available through My Media and Media Gallery for student viewing, and a text file of the transcript is available to the host.
- If you would like your participants to be able to save a copy of the live transcript, go to your Zoom settings and scroll down to the In Meeting Advanced section. Turn on the setting to Save Captions.
