The background is a collage of various lifestyle and work-related images. It includes a person's hands typing on a laptop, a cup of coffee, a vase with dried flowers, a person sitting on a couch with a laptop, a close-up of a plant, a person's neck with a pearl necklace, a close-up of a textured surface, a person's hands working on a laptop, a cup of coffee, and a person's hands holding a pen. The images are arranged in a collage style with white borders.

to becoming a Legal Nurse Consultant without breaking the bank

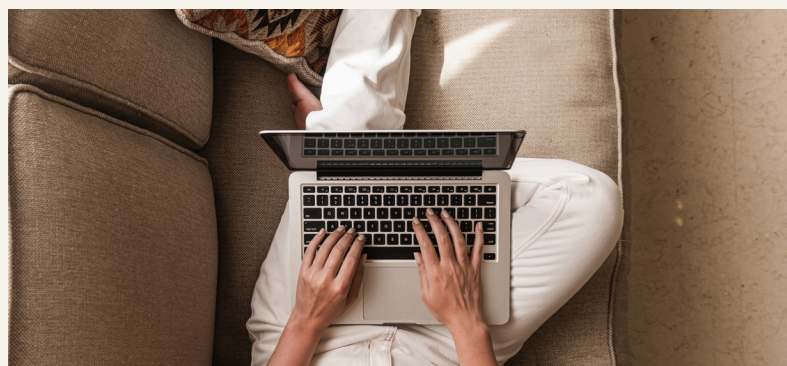

Ready to Become a Legal Nurse Consultant?

*Here's How You Can Get Started
Affordably & Efficiently!*

Welcome Nurses! You're here because you're curious about stepping into Legal Nurse Consulting, and I'm so excited to guide you through this journey. The truth is, you don't need to spend thousands of dollars on courses. I'm here to share with you the affordable route to finding the resources for getting started and the secret to building a thriving LNC career from scratch.

What is a Legal Nurse Consultant?

A Legal Nurse Consultant (LNC) is a Registered Nurse with two years plus clinical experience who use their healthcare knowledge to consult on legal medical cases. Legal Nurse Consultants also known as an LNC can work with Attorneys, Insurance Companies, Medical Facilities as well as subcontract for other Nurses with already built businesses. Medical cases may include medical malpractice, personal injury, mass tort (product liability), or criminal cases. Legal Nurse Consultants are needed for their expertise in clinical practice, standards of care, critical thinking, and nursing knowledge.

Why choose Legal Nurse Consulting?

- Flexibility of time: Work from home, choose your own hours, and spend more time with your family.
- Less physical demand compared to bedside nursing.
- High demand in the legal field for Nurses with medical expertise.
- Lucrative side or full-time income

The affordable class recommendation

The Affordable LNC Class I Recommend to Get Started as a Legal Nurse Consultant has been beneficial for my clients.

After doing the research and reviewing dozens of options, I found this course to be comprehensive, affordable, and a great starting point for new LNCs:

This class is under \$150 to give you all of the information you need to get started as a Legal Nurse Consultant

It is affordable, self paced access, and equips Nurses with the foundational knowledge to get started as an LNC. The name of this course is located in my [Unleash Video Resource Guide](#).

If you take nothing else away from resources, know you do NOT need an expensive course. It is not necessary. Do not spend thousands on a class.

****I am not affiliated with the course. This recommendation is from my research.**

Want to know more steps to jumpstart your Legal Nurse Consultant career?

You'll need more than just the foundational knowledge from the certificate class to hit the ground running. This is where I come in! To save you time and prevent common mistakes, I've created additional resources to help you build your LNC business faster and smarter.

- **The Unleash Guide to Becoming a Legal Nurse Consultant:** This video guide walks you through everything from setting up your business to networking with attorneys and finding your first clients. Resources from my experience in this guide are essential in starting as an LNC. Plus you will have access to ask me any questions you need daily.
- **Report Writing Class:** A detailed class to help you master one of the most critical skills in LNC—writing accurate, concise, and legally-sound reports. You will also receive a case study to work up as a sample to use for job applications.
- **Community Access:** Join a supportive group of Nurses who are also starting their LNC journey. Get insider tips, advice, and personal feedback from me to help you every step of the way. This comes with a purchase of the bundle, report writing class, or the video guide.
- **READY TO GO ALL IN? The Unleash Bundle is the way to go:** This bundle includes the unleash guide, report writing class, community access, and 2 hours of 1:1 mentorship zoom call.

Your New Career as a Legal Nurse Consultant AWAITS...
