When Israel
was a child, I
loved him,
and out of
Egypt I
called my son.

-Hosea 11:1

This Prophecy is a real puzzler! We recently learned that Jesus was prophesied to be born in Bethlehem, but here we see that He will be called out of Egypt! What does it mean?

Sometimes with prophecy, we don't fully understand where all the pieces of the puzzle go until we see more of the pieces come together. But we can trust that God always fits everything together perfectly.

While we will learn exactly what this prophecy means in just a few days, today we will have a little fun discussing your family history and then completing the Egyptian puzzle on the next page!

Parents, take this time to talk about your family's history. Use the questions below to drive a fun conversation about where each of you are from! How many different answers do you each have to the different questions? Can you see how this ties into the prophecy in today's verse?

Where do you live?

Where did you grow up?

Where are you from?

Where have you traveled?

Where are your ancestors from?

Where have you lived the longest?

Where were you born?

Where feels most like home?

PARENT NOTE: Prepare for the next activity by cutting out the puzzle pieces ahead of time so your children can begin right away. You can print an additional copy to see the completed image or bring it up on your screen to reference.
