# THE AI PROMPT SYSTEM

This is the only prompt you need.

Use it as your base and add variations depending on what you want to create.

Act as a top digital marketing expert who works with the biggest online brands.

Create a specific output for a Canva digital product in the **[NICHE]** niche.

Make sure the output includes:

- A strong hook
- Clear structure
- Engaging tone
- SEO optimization (if relevant)
- A compelling call to action

Keep everything simple, practical, and ready to use.

## IDEAS

Focus on generating product ideas that are easy to create and sell for beginners.

## CONTENT

Focus on creating engaging captions, hooks, and social media content.

## PRODUCT

Focus on building a complete digital product with clear structure and layout.

## SALES

Focus on writing high-converting product descriptions and sales copy.

**Combine this system with different niches and variations to generate 50+ real, usable results.**

### How to use it:

1. Copy the master prompt
2. Replace **[NICHE]** with your topic (e.g. fitness, business, beauty)
3. Add **ONE** variation below
4. Press enter

**Start simple. You can refine as you go.**

**You've got the idea.**  
**But here's the truth...**

Most people **never make money** from it.

They never actually create anything.

**And they never make money.**
