

HR Career Climb

**An online training designed to help
grow your career WITH purpose and
ON purpose**

Let's Get the Tools to Elevate Your Career!

Welcome to your path to success.

Print this workbook and get ready to open your mind to new ideas and steps to take within your career.

Growing your career doesn't happen automatically and isn't a given due to years of experience.

In my 15-year journey, I've grown my career from unpaid HR intern to HR Department of One to VP executive and beyond.

I'm excited to virtually meet! Bring your questions!

If you want even more of my best practices and resources, stay engaged via email and YouTube. I often share what I've learned that can help you build the career of your dreams.

Be sure to find me on LinkedIn and share your feedback on this training session! I can't wait to hear all about it.

Let's grow!
