HOW TO USE

1. Click on the interactive "PDF". To use the interactive PDF, simply open the file in a standard PDF reader, such as Adobe Acrobat Reader, which is available for free download.
2. When the PDF opens, touch the lines to type. Tap on a box to put a checkmark in it. Tap to uncheck mark it.
3. Remember, after you add something, always save the page. If you don't, what you added might disappear.
