

Thank you for your purchase! Your link + instructions are below.

#### How to use the link:

- Access the template by clicking on the link
- Click “Create a new design with template”
- Rebrand/change colors and fonts, or add logos as you wish

To resell with MRR (your customers can resell):

- Click “Share” in the upper right
- Click “Template link” and copy the link to pass onto your customers
  - Your customers can also rebrand and resell once they use your template
- Give your customer an MRR certificate (you can create this easily using Canva templates (search for “certificates” in templates - make sure you remove the name section and change the wording to reflect this as an MRR certificate for your product.)

To resell without MRR (your customers cannot resell):

- Click “Share” in the upper right
- Click “Public view link”
- Share this link with your customer
  - Your customer will be able to view as a PDF and download for their own use, but not customize and resell

NOTE: You will need to create your own template links in Canva if you resell these bonuses. My links may change in the future and you should not pass my links on to your customers.
