Harmonization of the LLG Twin Flame Relationship

1

Welcome! I invite you to contact me if you haven't already done so to send me a **message**, with:

- ◆ A presentation of yourself to get to know yourself better, specifying:
- ◆ Your problem, your priorities, your goals, etc.
- ◆ A portrait photo of you with visible eyes (optional)
- ◆ Your twin flame's name and a photo (optional)

2

Accompaniment is carried out remotely **by appointment**. We set for each date = 1 topic. These are the themes of this accompaniment.

- 1) Deep Purification + Chakra Harmonization: **About Yourself**
- 2) Liberation + Harmonization: **The Spiritual Connection and Human Relationship with your TF**
- 3) Liberalization + harmonisation: **situation in relation to the two TF**
- 4) Releasing stagnant energies from **wounds and conflicts in the relationship**

3

Regarding your choice of pace of work, suggest:

- ◆ **4 quotes**
- ◆ **From early in the morning until 12 am, Paris time**
(I live in Asia)
- ◆ **Monday through Friday.**

Proposed pace: We can do 4 sessions over 1 month, at the rate of one session per week. The pace is comfortable and gives you time to become aware and integrate the energetic work that is being done within you.

If you're not available during the session, it's not annoying. You will be able to receive the energy of the session later. I explain how on the "**Take the Energy Session**" document.
