

SAITS4U AI Reseller Method™ – Student Workbook

Use this workbook to plan, build, and launch your AI-powered digital service business.

Section 1 – Vision & Goals

1. Why do you want to start an AI Reseller business?
2. What would a successful first 90 days look like for you?
3. How many hours per week can you realistically commit?

Section 2 – Niche & Offers

Write down 3 possible niches you could serve (e.g., barbers, churches, local restaurants, coaches).

Niche Ideas:

List 2–3 services you will offer first (e.g., website + logo, video + content pack, chatbot + automation).

Section 3 – Pricing & Packages

Use this table to plan your starter packages.

Package Name	What's Included	Price (One-Time)	Monthly Retainer
Starter Site	1-page website + basic branding	\$	\$
Content Starter	12 posts + 4 short videos	\$	\$
Automation Lite	Chatbot + simple follow-up	\$	\$

Section 4 – Client Outreach Plan

List 20–30 people or businesses you could contact in the next 7 days.

DM / Email Script Template:
