

Golden Hour. City View. Your Digital Self.

Capture your confident, cinematic glow with a hyper-realistic portrait on a luxury balcony overlooking the skyline. Golden-hour lighting, flawless style — made for creators who live (and look) above the city.

Prompt – Balcony City View

Use my uploaded face photo as reference. Keep my facial features, hair, and proportions exactly as in the reference image — skin slightly smoother, radiant, subtly younger, fully realistic.

Apply the uploaded outfit (transparent background) onto my body.

Create a hyper-realistic portrait of me leaning on a balcony railing of a luxury apartment, overlooking the city skyline at sunset. Pose is relaxed yet stylish, looking confidently at the camera.

Background: urban cityscape, skyscrapers, soft sunset glow, cinematic bokeh.

Lighting: warm golden hour, natural highlights on face and outfit.

Makeup: flawless, expressive eyes, subtle contour and blush, glossy lips.

Nails: French tips visible.

Style: influencer lifestyle, luxury apartment, cinematic, Instagram-ready.

Do NOT include any logos or background elements from the outfit photo.
