

Step Into Your Modern Luxury Life

Transform your photo into a hyper-realistic cinematic portrait in a sleek, modern luxury living room. Perfect for social media, personal branding, or showcasing your digital avatar in style.

Prompt – Modern Luxury Living Room

Use my uploaded face photo as reference. Keep my facial features, hair, and proportions exactly as in the reference image — skin slightly smoother, radiant, subtly younger, fully realistic.

Apply the uploaded outfit (transparent background) onto my body.

Create a hyper-realistic portrait of me standing confidently in a modern luxury living room, posing naturally. I am smiling subtly at the camera, one hand resting on a designer sofa, relaxed yet stylish.

Background: spacious living room with floor-to-ceiling windows, natural daylight, sleek furniture, indoor plants, and minimalistic luxury decor.

Lighting: soft cinematic sunlight, highlighting my face and outfit naturally.

Makeup: glowing skin, expressive eyes, subtle contour and blush, glossy lips.

Nails: French tips visible.

Style: influencer lifestyle, modern luxury interior, cinematic, Instagram-ready.

Do NOT include any logos or personal photos from the room in the uploaded outfit photo.
