

# Luxury Drive Moment

**prompt: Use my uploaded face photo as reference. Keep my facial features, hair, and proportions exactly as in the reference image — skin slightly smoother, radiant, subtly younger, fully realistic.**

**Apply the uploaded outfit (transparent background) onto my body.**

**Create a hyper-realistic portrait of me opening the driver's door of a luxury sports car, looking confidently at the camera. My pose is natural, stylish, and influencer-ready, mid-motion capturing elegance and charisma.**

**Background: city street or upscale urban area, slight bokeh of cars and buildings.**

**Lighting: cinematic daylight, warm highlights on my face and outfit.**

**Makeup: expressive, glowing skin, subtle contour and blush, glossy lips, long lashes.**

**Nails: French tips visible.**

**Style: dynamic, luxury lifestyle, Instagram influencer aesthetic, cinematic quality.**

**Do NOT include any logos or background elements from the outfit photo.**
