INCLEMENT WEATHER NEWS

Sometimes it becomes necessary to delay or cancel school. Based on the information available, Mr. Gartner tries to make an informed decision as soon as possible. If Mount Olive decides to cancel school due to weather concerns, you will be informed in the following ways:

- Text (if you're setup properly on Skyward)
- Email
- Posting on Mount Olive's social media

We are not included in the decisions of the Appleton Area School District nor Fox Valley Lutheran High School. Have a plan in place for your children if Mount Olive cancels or delays school.

The decision to cancel or delay is based on weather forecasts and road conditions around Mount Olive. If you do not feel it is safe to bring your child to school due to road conditions near your home, do not bring him/her. If you make that decision, contact the school office.
