\$ _____

\$ _____ /wk

\$ _____ /day

Root Chakra (Muladhara)

Representation: Stability, security, grounding.

Affirmation: I am the person who has \$_____ deposited into their bank account within a year's time. I am grounded, secure, and stable in my financial abundance.

Feeling: I feel deeply rooted and secure.

Evidence: My financial foundation is strong. I see the numbers in my bank account growing steadily. I have invested in properties that provide a stable income, ensuring my family's security and well-being.

Sacral Chakra (Svadhithana)

Representation: Creativity, pleasure, emotions.

Affirmation: I feel the power and joy of \$_____ enriching my life. I embrace my worthiness and the pleasure that comes with this abundance.

Feeling: I feel vibrant and joyful.

Evidence: I use my wealth to fund creative projects and community initiatives. My investments in art, culture, and experiences bring joy to my life and to those around me, enhancing my emotional well-being and creative expression.

Solar Plexus Chakra (Manipura)

Representation: Personal power, confidence, action.

Affirmation: I take bold actions with the \$_____ I have received. My confidence radiates as I utilize this wealth to create and grow.

Feeling: I feel strong and confident about my decisions.

Evidence: I have built a strong business that scales easily because of the systems and processes I have put in place. My projects are taking off, reflecting my ability to act decisively and powerfully.

Heart Chakra (Anahata)

Representation: Love, compassion, connection.

Affirmation: I am profoundly grateful for the \$_____ that has transformed my life and those I touch. My heart overflows with love and generosity.

Feeling: I feel a deep sense of love and gratitude.

Evidence: My wealth allows me to give back generously to my family, community, and clients. I see the positive impact of my donations and support in the lives I touch, fostering deep connections and compassion.

Throat Chakra (Vishuddha)

Representation: Communication, expression, truth.

Affirmation: I articulate my success and the blessings of \$_____ with clarity and joy. My voice echoes with the power of abundance and gratitude.

Feeling: I feel confident in expressing my achievements.

Evidence: My clear communication has led to numerous speaking engagements and media appearances. I inspire others with my story, and my coaching sessions are filled with powerful, transformative conversations.

Third Eye Chakra (Ajna)

Representation: Intuition, vision, insight.

Affirmation: I envision the prosperity of \$_____ manifesting in my world. I see the luxurious life, travel, and positive impact on others vividly.

Feeling: I feel a deep sense of clarity and vision.

Evidence: My intuitive decisions have led to successful investments and business ventures. I see the results of my wealth in my luxurious lifestyle, enriching travel experiences, and the positive impact on others' lives.

Crown Chakra (Sahasrara)

Representation: Spirituality, enlightenment, connection to the divine.

Affirmation: I am aligned with the universe, understanding deeply that \$_____ is my divine right. This wealth is a testament to my spiritual and earthly journey.

Feeling: I feel a profound connection to the universe.

Evidence: I experience synchronicities and opportunities aligning with my goals. My spiritual practices are reinforced by the tangible success and abundance in my life, validating my journey and purpose.
