Privacy Statement

General

Protecting your privacy is very important to me. Your visit to this website, your participation in the self-help program, and any subsequent contact with me will remain confidential. I handle personal data with care and only process information that is necessary for the operation of the website and the provision of my services.

Personal data will not be shared with third parties unless this is necessary to provide my services or is required by law.

You can visit this website freely without having to give prior consent to the collection of personal data.

Website Use

When you visit this website, only general, non-identifiable information is collected, such as:

- which pages are visited
- the estimated duration of the visit
- the general location of the visitor (city and country)

This information is used solely for statistical purposes and to improve the website. The data cannot be linked to individual visitors.

No tracking cookies are placed, and visitors are not individually tracked.

All files are loaded from the same domain.

Forms and Contact

When you use an order, intake, or contact form, you provide personal data. This information is sent to me by email and is not stored on the web server.

Your email address and/or telephone number will only be used to contact you or to provide my services.

What Personal Data Is Processed

Depending on your use of the website and my services, the following information may be processed:

- first and last name
- billing address
- email address and, where applicable, telephone number

Purposes of Processing

Personal data is processed for the following purposes:

- providing my services
- fulfilling administrative obligations
- improving the website

Sharing Data with Third Parties

Personal data will only be shared with third parties when this is necessary for business operations or when required by law, for example with:

- the bank for payment processing
- the web hosting provider or email/newsletter service for sending emails
- the tax advisor for administrative and tax-related obligations

Retention Periods

Personal data will not be retained for longer than necessary:

- **Client data:** a maximum of two years after the last purchase.
- **Data of prospective clients:** a maximum of two years after the initial contact
- **Administrative data (such as invoices):** seven years, in accordance with statutory tax retention requirements

Your Rights

You have the right to:

- access your personal data
- have your data corrected
- have your data deleted
- object to the processing of your data
- withdraw your consent, where applicable

To exercise any of these rights, please contact me by email. I will process your request as soon as possible.

If you believe that your personal data is being processed unlawfully, you can file a complaint with the Dutch Data Protection Authority (Autoriteit Persoonsgegevens) via:
