www.jlsoftarts.com

Liste et liens Amazon des produits, outils et accessoires que j'utilise dans mes créations ou dans mon atelier.

Veillez noter que j'utilise aussi beaucoup de produits que j'achète directement dans les magasins d'artistes.

De plus, je vous prie, de ne pas acheter tout ce qui se trouve sur cette liste tant et aussi longtemps que vous n'avez pas suivi votre formation. C'est que selon la technique enseignée, les produits utilisés ne sont pas tous les mêmes.
