

Pink Digital Academy – Affiliate Agreement

This Affiliate Agreement (“Agreement”) outlines the terms and conditions for participation in the Pink Digital Academy Affiliate Program.

By joining, promoting, or selling this course using an affiliate link, you agree to all terms below.

Please read carefully:

Program Overview

Affiliates are permitted to promote and resell the Pink Digital Academy Course using their assigned affiliate link.

Affiliates operate as independent contractors and are not employees, partners, or legal representatives of Pink Digital Academy.

Participation in this affiliate program does not grant ownership of the course, brand, or intellectual property.

Commission & Payout Terms

Affiliates earn **80% commission** on every successful, completed, and verified sale made through their personal affiliate link.

Commission is **calculated after all transaction and processing fees are deducted** by third-party payment processors (including, but not limited to Stripe, Klarna, Afterpay, Affirm, or similar services).

Commission payouts are issued 30 days after the original transaction date to allow time for processing, refund windows, and possible chargebacks.

Only successful, non-refunded, and non-disputed transactions qualify for payout.

Pink Digital Academy is not responsible for delays caused by payment processors or banking institutions.

Refunds, Chargebacks & Fraud

Due to the digital nature of this product, **all sales are final** once course access is granted. **No Refunds.**

If a transaction results in a chargeback, dispute, or is flagged as fraudulent, the commission from that sale will be withheld or deducted from future payouts.

Repeated chargebacks or fraudulent activity connected to an affiliate may result in permanent removal from the program.

Affiliates must represent Pink Digital Academy honestly and professionally.

Affiliates **may NOT:**

Affiliates will still earn their standard commission percentage on sales made using official promo codes.

Unauthorized discounting or pricing manipulation may result in immediate removal from the affiliate program.
