How to use This Planner

Welcome Message

This planner is your creative companion for starting and finishing your first sewing projects with clarity and confidence. Use it to stay organized and motivated throughout your 7-day sewing journey.

Supplies & Setup

Begin by listing everything you need on the Supplies and Budget pages. These sections help you gather your tools, estimate costs, and avoid last-minute shopping stress.

Daily Progress & Planning

Use the daily tracker, project pages, and checklist to stay on schedule. Each section gives you space to plan, reflect, and build skills with purpose — one stitch at a time.

Tips & Extras

Sketch your ideas, track your patterns, and use the notes to capture lessons learned. Reuse the monthly tracker for future projects and follow us on Pinterest for free updates.
