

## How to Add the Soulprism 2026 Cosmic Calendar

Welcome to your new favorite ritual tool — your year, synced with the stars

Here's how to add the Soulprism calendar in less than a minute — no tech skills required.

---

### Option 1 – For Google Calendar Users

1 Click this link:

 [Open the Soulprism 2026 Calendar](#)

2 A calendar will open in your browser showing all the cosmic events and HD gates.

3 In the lower-right corner, click “+ Google Calendar.”

4 Boom  — you're synced! It'll appear alongside your normal calendar so you can see which gate, element, or Moon phase is guiding your day.

---

### Option 2 – For Apple Calendar, Outlook & Other Apps

1 [Click here to download or subscribe:](#)

### Soul Tip

Keep your Cosmic Calendar on top of your daily planner so you can schedule launches, rest days, and creative bursts in tune with the universe. Remember: the cosmos is your co-CEO.
