MODULE FOUR

ACTIVATE YOUR HIGH PRIESTESS LIGHT

Remember who you are. In this module, you get to lean into the light within you. There is a powerful light within you that wants to shine to the world. Connect to and activate the powerful light within that can guide you, support you, and fill you with what you need so that you may create your amazing reality.

Remember that you are a powerful divine being that has ancient wisdom, healing frequencies, a source of abundance, and is full of grace. Your light is beautiful, vibrant, radiant, and brilliant.

See it, know it, and experience yourself as your beautiful high priestess goddess energy.

Remember who you are and embody your light. Take time to connect to your heart space. Find the stillness and peace within your heart. Feel the pulsing of your light and amplify it all around you.

Feel yourself surrounded by love, forgiveness, unconditional love, and loving-kindness. Feel the power of your light, the resolve of your knowing, and the determination of the Goddess.

Now dream from this place. Bring yourself into your vision and from this powerful pure light within and fill your vision with joy, light, connection, trust, and expectancy. Amplify your joy, gratitude, and light. Amplify it even more.

MODULE FIVE

ACCEPT YOUR CROWN

For my years and even lifetimes, you neglected your power and authentic self. For many years and lifetimes, you played small and chose unworthiness and underservingness...

You punished and sabotaged your success, love, and wealth. All because you forgot that your divine right is to have wealth, riches, abundance, affluence, prosperity and so much more.

You are the child of the divine. It is your birthright to wear your crown with confidence, resolve, courage, and poise. It is a symbol of your brilliance, significance, and gifts. It is the symbol of royalty, affluence, opulence, and influence.

It is also a reminder of how you should treat yourself and show up in the world, fully owning your power and inner wealth.

Take a moment, reach for your crown, straighten it, and wear it with poise, grace, and authenticity. Your kingdom is within you and it's time to manifest it in the world.

Meditate on how you will now show up in the world. Reflect on how you will make decision and take action. Decide the image, identity, and beingness you will now adopt and embody.

Practice it.

MODULE SIX

You are already an abundant being. You were created by Source and you are the particles of the universe. To activate your Soul Wealth first clear the baggage that created the separation from wealth, abundance or prosperity.

Decide and lean into the knowing that as creation Wealth is already a frequency available in your field and you don't have to earn it, prove yourself or work hard for it.

Simply request it, embody the abundance in your field, celebrate abundance around you and make decision from an abundance mindset.

Shift how you think about money into abundance.

Shift how you relate to money into abundance.

Shift how you relate to the world into abundance.
