Welcome

Dear Friend,

Thank you for taking the time to learn more about Trident Freedom Foundation. Whatever brought you here — a conversation with a friend, a shared post, or simply a curiosity about our work — we're glad you did.

TFF exists to bring freedom, hope, and restoration to vulnerable individuals and communities, body, soul, and spirit. That mission comes to life through three pillars: Rescue, Reach, and Restore — anti-trafficking intervention, gospel-centered outreach, and long-term survivor restoration, all working together as one unified effort.

This packet is designed to introduce you to who we are, why this work matters, and how you might consider partnering with us — whether through giving, prayer, volunteering, or simply spreading the word. There's no pressure here, only an invitation to learn more about a mission we believe is worth your time.

Thank you for considering standing with us.

With gratitude,

Jeff & Debra Hoyt

Founders, Trident Freedom Foundation

Who We Are

Our Mission

Trident Freedom Foundation is a faith-driven nonprofit dedicated to bringing freedom, hope, and restoration to vulnerable individuals and communities — body, soul, and spirit.

Our Vision

A world where every captive is free, every lost soul has heard the gospel of Jesus Christ, and every broken life has been made whole — one rescue, one outreach, one restored life at a time.

Our Faith & Values

We are a Christ-centered organization. Our work flows from the Great Commission — guided by faith, courage, compassion, integrity, collaboration, and an unshakeable belief in restoration for every life we touch.

What We Do

TFF supports and funds critical work across three pillars — partnering with law enforcement, missionaries, local churches, and rehabilitation specialists rather than working in isolation. We believe lasting impact happens through strong, trusted partnerships, not solo effort.

Our Three Pillars

TFF's work is organized around three unified pillars — like the three prongs of a trident, each distinct but inseparable from the others.

RESCUE	REACH	RESTORE
• Anti-trafficking initiatives • Emergency response • Safe housing partnerships • Law enforcement support • Survivor assistance grants	• Missionary sponsorship • Church planting support • Bible distribution • Evangelistic events • Disaster relief outreach	• Educational programs • Survivor rehabilitation • Family strengthening • Mentoring & coaching • Workforce development

One Weapon, Three Points

Just as a trident is one weapon with three points, TFF is one mission expressed through three distinct but unified areas of ministry. You can't have a trident with only one or two prongs — all three work together as one. And just as a trident is grounded by the spike at its base, TFF is firmly planted in the gospel of Jesus Christ and the Word of God. Everything we do flows from that anchor point.

Rescue. Reach. Restore. Three goals. Three prongs. One mission.

Why Your Partnership Matters

None of TFF's work happens in isolation — not the rescues, not the outreach, not the restoration. Every part of this mission depends on a community of partners willing to give, pray, and show up consistently.

The Need Is Real

Human trafficking affects vulnerable people in every community, often hidden in plain sight. Millions worldwide still haven't heard the gospel clearly presented. And survivors of trauma need far more than a single moment of rescue — they need sustained support to rebuild a whole, independent life.

Your Partnership Provides Readiness

Rescue work depends on being ready before a tip ever comes in. Missionary support depends on sustained sponsorship, not one-time gifts. Restoration depends on mentors and resources available for the long haul. Your partnership is what keeps TFF ready — today, and for whatever comes next.

Transparency You Can Trust

We believe donors and partners deserve to know exactly how their support is used. TFF is committed to responsible stewardship, clear communication, and honest reporting — including sharing where funds go, in general terms, while protecting the confidentiality and safety of the individuals we serve.

“Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.” — 2 Corinthians 9:7
