COVER LETTER

Developer of Human Potential, Teacher, International Speaker, Coach, SERver, Trainer and Mentor. Passionate about Education, Communication and Leadership through Personal Transformation. She has 15 years of Teaching and Mentoring experience working with children, teens and adults.

Degree in Spanish Language and Communication. She has several certifications such as: Coach in Empowerment and Neurolinguistic Programming (NLP), Management & Leadership, Neurospeaker, Speaker Master, The Art of Public Speaking, Positive Psychology, Leader & Competent Communicator, etc.

Ex-President of Toastmasters International (Ciudad Juárez, Mexico), World Leading Organization in Communication & Leadership issues. In this Organization, in 2021, **Andrea was National Champion of Evaluation Speech.**

Founder and CEO of the online system SPEAKER CUÁNTICO where she transforms people with purpose of transcending, into high-impact Leaders and Communicators; using various methodologies, strategies and formulas of her authorship such as AAHAA, FICSS, SOS and her virtual avatar called SER.

Also, Andrea is a great SERVER. She supports Civil Associations during Pandemia she supported the Community for a year to keep a high Energy in quarantine time, through a free online program called: Energy for the Soul.

Andrea has a community of hundreds of Speakers where they meet in different places to BE VOICE for the world.

Andrea worked as a **Reading and Theater Teacher** at Alamo Junior High. In Reading class, with 8th graders, she has developed a system that let the students improve their skills through the program i-Ready. In Theater class, with 7th & 8th graders and GT 8th graders, she has awakened the inner child, creativity and IMPRO skills on her students. She made that the students feel more interested and motivated in the classes. Most recently, Andrea worked as an **ESL Program Teacher** at Ector Middle School, helping newcomer students develop English skills while fostering their confidence, cultural integration, and emotional well-being.

With a unique blend of passion, love, creativity, and transformational leadership, she empowers every student to find their voice and shine with purpose.
