We thrive together!

We foster a culture of flexibility and creativity that encourages innovation and diverse perspectives to meet evolving needs.

What our clients say:

"We have been working with In Life Projects for a couple of years now and we can confidently say that they are the best in the business. Their team is knowledgeable, professional, and always goes above and beyond to meet our HR IT needs."

Alicia, Chief Of Staff at DBI services

"In Life Projects has helped us streamline our processes, increase efficiency, and reduce costs. Their customer service is exceptional, and they are always quick to respond to our inquiries and provide solutions to any issues that arise."

Eric, HR Manager at Selexis SA

Meet The Team

Juan Carlos Ruiz – Director & Analyst

Juan is Colombian-American, and is an analyst with over a decade of expertise in developing as well as managing mission-critical business applications. As a strong analytical thinker, he prioritizes solutions, guiding IT & digital projects through their entire lifecycle. He holds certifications as a Professional SCRUM Master I and ECBA Business Analyst, and he excels in a wide range of web and mobile frameworks, CMS, CRM, and database technologies.

Lydie Hubert – Business Manager & Recruiter

Lydie is a swiss native and has +10 years of experience in the business and management industry. Recruitment and working with people is one of her passion. Her open-minded approach fosters productive conversations, while her keen attention to detail ensures precision in execution. She is dedicated to driving organizational success through effective leadership and collaboration.

Silvia Lonzo – Head of Administration

Silvia is a Spanish native and is a prominent figure in the field of administration and labor law. With an unwavering dedication to her profession, she keeps a vigilant eye on evolving regulations and meticulously handles administrative tasks. Her focus and attention to detail have solidified our company work-flow. She ensures that that labor laws are upheld and workers' rights are safeguarded.
