

[Click To Access Template Here](https://bit.ly/3SfCoqo)

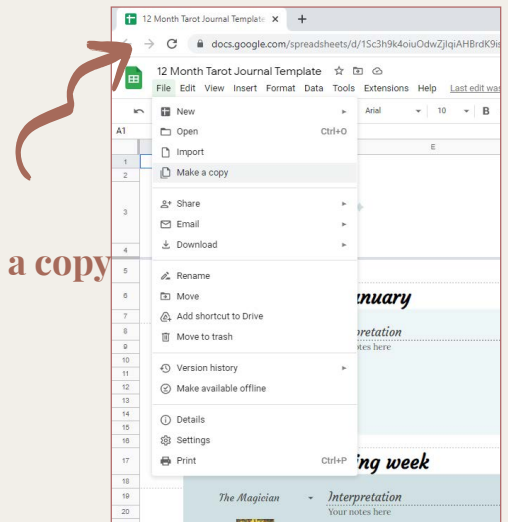

or copy & past this link in your browser: <https://bit.ly/3SfCoqo>

1 YOU MUST HAVE A GOOGLE ACCOUNT

A google account is free, if you do not already have one you can create on here: <https://accounts.google.com/signup>

2 MAKE A COPY

The original template is locked. In order to make changes you need to make your own copy. From the top left hand side of the screen choose FILE > then choose MAKE A COPY > rename your copy anything you'd like. This will make a copy to your google drive that you can now edit.

Make a copy

3 DISCLAIMER

Feel free to use this template and make changes as you wish. I recommend editing the sample text only (unless you are very familiar with how google sheets work.) Do not delete, add, edit, or attempt to remove cells or sheets as this may affect the way the template works. I make no warranties and offer no technical support. The template provided is for personal use only. Do not redistribute, share, or sell. Not for commercial use.
