EDIT IN CANVA

HOW TO GUIDE

UPLOAD IMAGES

To replace sample images, navigate to "Uploads" section on the left sidebar, click "Upload Files" and upload images from your computer. Then drag and drop your new images onto your design

CREATE A QR CODE

Search "QR code" in "Elements," Use app > Open > Enter URL > Generate code

CUSTOMIZE COLORS & FONTS

To change fonts, text colors, and sizes in Canva, simply select the text you want to modify. Then, use the toolbar at the top of the screen to choose a new font from the dropdown menu, adjust the text color, or change the size as needed.

DOWNLOAD YOUR FILES

To download your file, click the "Share" button from the upper right corner of the screen and then select "Download"

Choose the file type you want to download; PDF, JPG, PNG, GIF, or MP4 Video for animated video

(PDF is great for printing, while JPG is good for text/email)

*TIP: If there are multiple pages in the template you can choose to download them individually, or all together as one video by selecting which "Pages" you want to include
