**REASON**

# **No.1**

**You're a coach or service provider who is capped and limited with DFY or 1:1 work and it is burning you out. Now you want a more scalable business model to uncap your income and impact.**

**\$120K OFFER BOOTCAMP**

**REASON**

# **No.2**

**You're an online business owner/expert who has multiple offers, but none of them bring money in consistently and predictably. If you're not selling something new, sales aren't coming in.**

**REASON**

# **No.3**

**You don't have a signature offer yet (or maybe any offer) but you know in order for you to make more money and stand out in the industry, you need one.**

**SCALABLE OFFER ACADEMY**

# TAKE A MOMENT AND **IMAGINE**

What if you could finally step out of the cycle of working harder for minimal growth... and instead, **build a business that runs with freedom, flow, and financial consistency?**

A business built around one scalable offer **that brings in consistent \$10k months** without relying on endless launches, one-on-one burnout, or chasing new clients every week.

Imagine waking up knowing exactly **what to sell, how to sell it, and who's already waiting to buy.**

Imagine **your income increasing**, not because you're doing more, but because you've built a system that compounds.

**That's what we're creating inside The \$120K Offer Bootcamp.**  
Your time, your income, your way.

Learning how to package your skills, knowledge, and expertise into a scalable offer is the **key to freedom**.

It's what helps you step off the income rollercoaster and build a business that pays you consistently, not just occasionally.

**Inside The \$120K Offer Bootcamp, you'll learn how to turn what you already know into a powerful, results-driven offer that sells on repeat.**

An offer that **frees up your time, amplifies your impact, and gives you the income and lifestyle you actually started your business for.**

Because when you learn to build once and sell forever, you stop chasing money... and start creating real freedom.

# My Biz Success

came from unwavering determination to learn the skills, strategy, and mindset required to build a scalable online business.

I went all in on mastering how to package my expertise, design offers that actually sell, and create systems that generate consistent revenue and that's exactly what I help others do now.

Inside The \$120K Offer Bootcamp, I'm pulling back the curtain on those same strategies so you can fast-track your own six-figure success without the years of trial and error.

Because success isn't about doing more, it's about mastering what moves the needle.

**SCALABLE OFFER ACADEMY**

**... and now I've built a step-by-step strategy to help coaches and service providers scale smarter, faster and without endlessly needing to create new offers to keep the money flowing.**

**A proven framework that takes you from idea to consistent \$10k months by building one scalable offer that grows with you.**

**Inside The \$120K Offer Bootcamp, I'll walk you through the exact process I used to grow multiple group offers to six figures - including the one that generated \$200K in just 18 months.**

# Hey There I'm Jonel

I have two online businesses, both generating 6-figures a year.

I have been travelling full-time for 13 months.

I immigrated to Portugal in December of 2021, my business allowed the move.

I am extremely passionate about helping business owners create freedom in their lives through scalable group offers.

**SCALABLE OFFER ACADEMY**

I started my first online business in 2021.

I quit my full-time job just 4 months after starting my online business and launching my first group offer.

Hit \$10 000 in our first course launch, signed 64 clients and scaled that offer to \$200k in 18 months.

I've proudly served over 1000 clients in the last 4 years.

# Where It Started

- 👤 Teaching back-to-back lessons.
- 👤 Working 8-10 hours a day, 7 days a week.
- 👤 Feeling unfulfilled and uninspired.
- 👤 Drained and burnt-out.
- 👤 Stressed that I would get penalized for missing a lesson due to illness, or an emergency.
- 👤 Training teachers.
- 👤 Stuck on a hamster wheel with no end in sight.

# Where I Am Now

I quit my teaching job and created two beautiful and fulfilling online businesses.

I create my own schedule. I schedule my work to fit around my lifestyle.

I stopped trading my time for \$20 or less per hour. I am worth WAY more. (And so are you!)

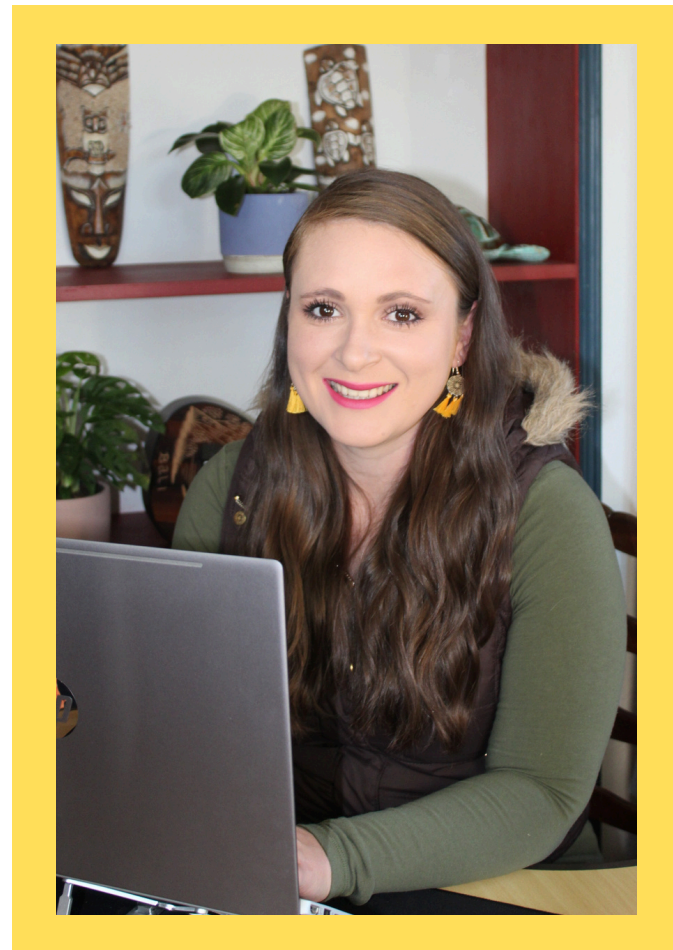

I 10x my income and reduced my working hours by more than 50%.

I have full control over my income, schedule and life.

I built an asset that will look after me and my family forever.

# Why I do what I do

I know what it is like to be financially unstable. I knew people with half my smarts, skill and half my heart were doing it. So I could too.  
And so can you.

More money in the hands of good people does good things. That starts with you taking care of yourself first.

I'm not here to change the world, I'm here to change the lives of the people in my world.

Are you ready? Drop a **HELL YES** in the comments.
