SET #1

THE DESIGN OF THE CREATOR (GOD MADE THE BLOOMS)

Focus on God as the Direct Artist Behind Nature's Beauty.

Application Questions:

1. When you look at the intricate details of a flower or nature, what does it reveal to you about God's personality as an artist?
2. In what area of your life right now can you see God quietly growing something beautiful, even if it's just starting as a tiny seed?

QUOTES

"The world is filled with God's artistry; every bloom is a quiet witness to His attention to detail."
Francis Schaeffer

"God writes the Gospel not in the Bible alone, but also on trees, and in the flowers and clouds and stars."
Martin Luther

SET #1

1. Genesis 1:11

- Scripture: "Then God said, 'Let the land produce vegetation: seed-bearing plants and trees on the land that bear fruit with seed in it, according to their various kinds.' And it was so."
- Observation: God's spoken word carries creative power. He didn't just design beauty; He designed it with seeds inside so life would continually reproduce and multiply.
- Application: God has placed seeds of purpose, creativity, and faith inside me. When I follow His word, those seeds produce lasting fruit that carries into the next season.
- Prayer: Lord, thank You for Your creative design. Help me nourish the seeds of faith and creativity You've placed within my heart so they bear good fruit.

2. Psalm 104:14

- Scripture: "He makes grass grow for the cattle, and plants for people to cultivate—bringing forth food from the earth."
- Observation: God initiates the growth ("He makes grass grow"), but He invites us to participate through partnership ("for people to cultivate").
- Application: God provides the raw materials and the growth, but my hands are called to cultivate—whether in my daily work, my relationships, or my creative time with Him.
- Prayer: Father, thank You for providing everything I need. Show me how to faithfully cultivate the garden of my daily life and celebrate Your provisions.

3. Song of Solomon 2:12

- Scripture: "Flowers appear on the earth; the season of singing has come, the cooing of doves is heard in our land."
- Observation: The appearance of flowers marks a transition—winter's quiet gives way to a vibrant season of song, growth, and gentle joy.
- Application: No winter season in my life lasts forever. When I see signs of growth and beauty returning, it's an invitation to lift my voice in praise.
- Prayer: Lord, thank You for bringing new seasons of beauty after hard winters. Open my eyes to the blooms around me and fill my heart with Your song today.

4. Psalm 96:12

- Scripture: "Let the fields be jubilant, and everything in them; let all the trees of the forest sing for joy."
- Observation: Creation doesn't stay silent—the fields, trees, and forests physically express joy and worship to their Creator just by being what they were made to be.
- Application: If the trees and fields naturally sing His praise, how much more should my life reflect joy back to the One who fashioned me?
- Prayer: Heavenly Father, let my life and my creative hands join in creation's joyful song. May everything I touch bring honor and glory back to You.

5. Isaiah 61:11

- Scripture: "For as the soil makes the sprout come up and a garden causes seeds to grow, so the Sovereign Lord will make righteousness and praise spring up before all nations."
- Observation: Growth in God's kingdom is as sure and natural as seeds sprouting in good soil. God Himself guarantees that righteousness will spring up.
- Application: I don't have to force spiritual growth in my own strength. As I stay planted in His word, He reliably brings forth righteousness and praise in my life.
- Prayer: Sovereign Lord, I trust Your timing. Keep my heart as good soil, and let Your righteousness and praise sprout naturally through me.
