

THE BUSINESS ACCELERATOR BOOTCAMP

NEXT LIVE DATES:

(USA) 7-9 Aug 2pm-7pm PST

(AUS) 8-10 Aug 7am - 12pm AEST

In just two LIVE 3-day Workshops, you'll create your SIMPLE marketing ecosystem for your speaking, service, coaching, or consulting business. These live sessions transform ideas into action, ensuring you leave with a ready-to-launch 1.0 version of your money-making machine, traffic tool and masterclass.

You'll develop an irresistible offer, identify your target audience, understand traffic generation, and implement simple, cost-effective tech for rapid sales and delivery. This program equips you with the tools, skills, and confidence to achieve financial security through quick launches and income producing marketing strategies.

Our hands-on approach, real-time implementation and dedicated support, sets us apart. We HATED it when we bought programs, asked questions, and they were left unanswered or the other people in the course still learning were left to answer. We refuse to be like that which is why we deliberately keep our intakes smaller while our team grows.

If you show up and do the work, we are there. You'll learn to build and edit your entire sales funnel, create compelling offers, drive traffic, and set up tech yourself, so you are never held hostage by a website developer again. We can even train your tech, sales and marketing team.

At the end of this program, you will know how to create an easy to deliver irresistible offer that you are freaking excited to sell as you KNOW it is impactful. You will know who your people are, where they are on social media and how to get traffic to your offer. You will know the exact way to use simple, inexpensive tech to sell and deliver it fast.

The skills you will learn in the Business Accelerator Bootcamp unlock true financial freedom and security. In just 14 days, working less hours than a full-time job, you can create a system that potentially could generate a 6 or even 7-figure income by launching fast, mastering, tweaking consistently implementing this system for at least 90 days (ideally one year).

This program is designed to help you have more client success stories while also creating true financial and time freedom for you. Get ready to launch fast, bigger, and amplify your profits!

FREQUENTLY ASKED QUESTIONS

1) When Are The LIVE Events?

You will have been notified of the dates during the workshop. The two 3-day live events will be run two weeks apart to give you time to finalize each system before we start to build the next component. All live events will have events created in the group that you will be invited to so you are aware of an additional pop sessions we create.

We usually run the bootcamps approximately 6 weeks apart. Please contact us if you would like the dates of the other planned bootcamps this year.

2) What Time Are The Sessions?

This is an implementation workshop, so plan for full days, approximately 8:30AM to 5:00PM AEST each day, with a Welcome Dinner on Sunday night. A full schedule will be sent prior to the event.

3) Is it a physical event?

Yes, we will be live, in-person on the Gold Coast Australia. Only 10 live seats available!

4) Can I attend virtually, and will it be recorded?

We will be streaming the workshop live, and we will provide full recordings of the training after the event (usually takes 72 hours to make the recordings available). You will have access to the recordings for 14 days after the last day of the event ends.

We suggest getting a hotel room or having a space separate from your normal life so that you can focus fully on the event and getting everything done if you truly want a distraction-free zone and to get the work done.

5) What if something comes up and I am not able to attend live?

*While we definitely **do NOT recommend only watching the replays** that are available for 14 days after the bootcamp ends, it is an option for those that are not able to attend live.*

*We have had clients in the past that have done this, but they have been more experienced with offers and tech plus they were super self-motivated people who **DO THE WORK**.*

6) How much does it cost?

The full investment is \$1,500. However, we reserve the right to increase the price on any live workshop. If you have not locked in the current rate with a deposit of at least \$500 before the price rises, you will be subject to the new pricing.

If you do lock in your place at the current pricing, you can choose which of the next 2 bootcamps that you attend and the price will be the price locked in, no matter if the cost of that intake has increased.

7) When Will The Rest of the Investment Be Due?

You will send us the rest of the \$5,000 investment from the proceeds of your offer sales only AFTER you have results. We'll work with you on this as we are super motivated to get you results to help you hit your financial goals and fulfill the remaining investment!

8) Is There A Payment Plan For the \$1,500?

Yes, You can break the \$1,500 investment (plus a funding fee is built into the payments) down into 3 Installments of \$555...Pay \$555 today and then 2 more payments of \$555 every other week. We can extend this out, but you are not able to enter the program until the \$1,500 is paid in full.

You can also use PayPal's Pay In Four Option (please reach out if you would like to utilize this option).

9) What If I Already Bought A Previous Version Of The Business Accelerator Bootcamp?

Not to worry! If you've already purchased the Business Accelerator Bootcamp, will have an alumni credit toward the \$1,500 investment.

Email us (hello@socialsellerslife.com) and we'll help you figure out your balance and process your payment straight away!

10) How long do I have to make a decision?

We don't believe in high pressure sales tactics or fomo'ing you into a decision. You can join at any time. Please note that the inclusions, bonuses and pricing may have changed. Fast action bonuses are only applicable for those who book within 24 hours of a live workshop event.

11) Why are there only 10 seats available?

We want to ensure that no-one is left behind and as we are dealing heavily with tech we create boutique-sized events so you can get the individual attention you need to get your questions answered and your systems launched. We found that in huge intakes many people fall between the cracks and don't get the results promised.

12) How much work?

There will be some prep work to make the most of the workshop and then we'll build the rest out together at the event. As for the live event, come PREPARED with the homework we have given you and know we are working for full days, the best 3 days you've spent focused on your business!

13) If I change my mind or decide to cancel/stop paying...what happens?

*All payments are **completely non-refundable and payment plans must be paid in full if commenced.***

Everyone must have the initial \$1,500 investment paid in full to be eligible to attend the live 3-Day Workshop and to start the access to the pre-work. Your access to the pre-program,

any live trainings and all resources will be suspended if a payment fails. We reserve the right to not allow you to attend future programs if you cancel payments.

14) How Do I Get Access To The Business Accelerator Bootcamp System And Bonuses?

Upon registration, you'll receive confirmation emails both for the Business Accelerator Bootcamp membership portal AND the Social Media Sprints Academy, with access instructions for everything.

You will NOT get full access to everything up front. Please note that we will release access to the different components of the program as they become needed in the program as we reach it in order to prevent overwhelm.
