DECLUTTER / ORGANIZE

STEP 01

Remove everything **EXCEPT**:

1. Furniture
2. TV
3. Flooring
4. Wall art & pictures
5. Decor

If it doesn't belong in the space pack it up!

STEP 02

QUESTIONS TO **ASK YOURSELF** WHEN DECLUTTERING

- Have I used this in the last year?
- If I were shopping right now, would I buy this?
- Am I holding on to this for sentimental value?
- Do I have a similar item that serves the same purpose?
- Do I have a realistic plan to use this?
- Does it fit me or my living space?

A cluttered space is a cluttered mind

STEP 04

Categorize the items you found:

Example: Toys, Paperwork, Crafts

STEP 05

Give everything a home!

Find a space in your house where the things listed above can be accommodated

DOES THIS ITEM HAVE A PLACE IN YOUR HOME?

YES!

Invest on a storage system!
Ex: Coffee table with storage

If you like to collect, use the storage system as an opportunity to display and showcase them

NO

Let it go!

I like to use reused boxes or cheap Home Depot boxes. Label the boxes
