# HOW TO ORGANIZE AND STORE YOUR BELONGINGS

In the Living Room

---

CHANGING THE WAY YOU DESIGN!

STEP 01

**DECLUTTER / ORGANIZE**

Categorize the items you found:

*Example: Toys, Paperwork, Crafts*

Give everything a home!

*Find a space in your house where the things listed above can be accommodated*

**DOES THIS ITEM HAVE A PLACE IN YOUR HOME?**

**YES!**

**NO**

**Invest on a storage system!**

*Ex: Coffee table with storage*

*If you like to collect, use the storage system as an opportunity to display and showcase them*

Let it go!

STEP 02  
**ASSESS YOUR ROOM**

Sit in the space and look around.  
 Questions to ask yourself:

**Who will use the room?**

*Will children use this space? Will pets live here?*

---

---

---

---

---

---

---

**What will you do in the room?**

*Is it for work? For resting? For entertainment?*

---

---

---

---

---

---

---

**What will be stored in the room?**

*Take an inventory of what will be housed in the space.*
