

# Free Mini Course: How to Make Money Online

Welcome to your free mini course — a practical, no-fluff introduction to building real income online. In these seven short videos, I walk you step by step through the mindset, strategies, and systems that help create lasting stability for a family. Each lesson is simple, actionable, and designed to help you take your first confident steps toward financial independence.

1. [VIDEO 1: Finding Financial Freedom: A Dad's Journey to Making Money Online](#)
2. [VIDEO 2: Unlocking the Power of Affiliate Marketing: Your Path to Earning Online](#)
3. [VIDEO 3: Understanding the Flow of Money in Online Business](#)
4. [VIDEO 4: Finding Your Niche: The Key to Online Success](#)
5. [VIDEO 5: Unlocking the True Power of Branding: Your Story Matters!](#)
6. [VIDEO 6: Exploring Legitimate Online Income Streams](#)
7. [VIDEO 7: Building Your Online Success: A Step-by-Step Guide](#)

I made this mini course because I believe regular folks deserve a simple, honest path out of money stress. No hype, no “gotchas”—just clear steps you can actually do. If this helps even a little, that’s a win. And if you want more practical help, I’ll keep showing up with useful tools, real talk, and zero fluff.

Tip: When saving to PDF, in the print dialog disable “Headers and footers” so no file path appears.
