

STEVE ADAMS

BETTER HEALTH. BETTER BUSINESS

AUTHOR. SPEAKER. LEADER

- Steve is a thought leader and speaker on wellness and medical transformations for highly-driven professionals.
- Founded a retail organization inside a new franchised pet superstore concept. Grew this organization to 44 units in 6 states with 700 employees and \$100 million in revenue.
- After years of stress and burnout, turned his health around and founded Tiger Medical Institute and co-created The Tiger Medical System for life-enhancing health, energy, and peak performance.
- Author of books: "The Passionate Entrepreneur", "Unleash The Peak Performer Within You" and "Patient Number One".
- Founded International Business as Mission, a non-profit providing entrepreneurial training and funding in developing nations.
