This guide will show you exactly how to set up everything included in your Digital Freedom Kit, even if you're brand new to online business.
You don't need tech skills or experience — just follow the steps, one at a time.

### 🧭 Step 1: Download Your Files

1. Open your confirmation email — you'll find your **Digital Freedom Kit** Download Link inside.

## ⚙️ Step 2: Open Your Guidebook

This is your roadmap — it'll walk you through everything.

The Lifetime System Guidebook explains:
✅ How to personalize your funnel or sales page
✅ How to upload your products
✅ How to connect your payment link
✅ How to resell your kit for 100% profit
Take 15–20 minutes to read the first few pages and get familiar with the setup.

## 🌐 Step 3: Set Up Your Sales Page

1. Log into your Systeme.io (or your preferred funnel builder).
2. Choose a simple one-page template.
3. Add your product name: The Digital Freedom Kit
4. Copy and paste your product description and checkout price ($49).
5. Upload your product image or banner (use the sunset theme for a calm, confident look).
6. Connect your payment processor (PayPal or Stripe).

💬 If you already use Systeme.io, you can copy your checkout setup from another funnel and just replace the content.

- Resell email (explains how they can share and earn 100%)

💡 Pro tip: Schedule 1 email per day for 3 days after purchase. It keeps your buyers excited and engaged.

## 🪄 Step 5: Customize Your Branding

Make your version feel like you.

Update your:

✅ Logo (optional — you can use Canva)

✅ Colors (use your favorite warm tones or sunset shades)
