

Here's your Canva Template!

ACCESS THE TEMPLATE

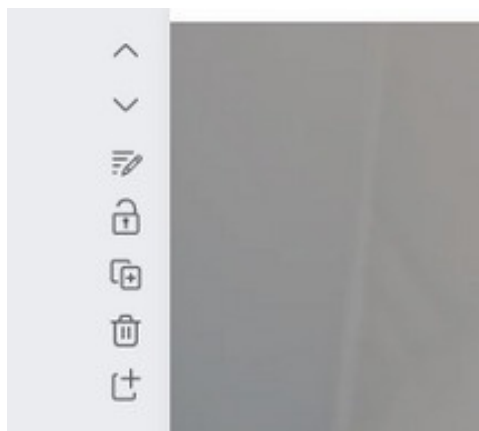

Click "ACCESS MY TEMPLATE" to access your Canva template. See below for additional instructions.

Don't hesitate to reach out if you have any questions!

-Joy

Instructions

- Click "ACCESS MY TEMPLATE" on the page above to access your Canva template. Click "use template" to have the template copied to your Canva account
- Adjust the text, images, fonts and colors to match your branding. You can also rearrange the sections and delete sections that are not needed using the controls on the left of each section:

- Link the "ENROLL NOW" buttons to your course checkout page by highlighting the button and clicking the link icon in the upper right corner:

Position |   

Enter a link or search

Instructions

- When you have finished editing, you can click "Preview" to preview the website on desktop and mobile

- Once you're satisfied with your design, click "Publish Website." You can choose to link it to your own domain or use a free Canva domain. Your site is now live - congrats!
