

## VOICE BROADCASTING NUMBER Step 1

1. Go to: <https://oneuc.com>
2. Click **Try Free** in upper right corner.
3. Complete and submit the form and use your “GoDaddy domain name” for **Company**.
4. Enter **833** (or any TOLL FREE number) in the **Enter Desired Area Code** box and click **search**.
5. Select a number and click **Continue**.
6. Complete Billing Information and click **Continue**.
7. Enter Card Information and click **Verify Card**.
8. You will receive 4 emails from OneUC. During this setup you only need to focus on the 1 email mentioned in the next step.
9. Forward the email with subject line **Your new services user profile for OneUC has been created!** to [rhendin@gmail.com](mailto:rhendin@gmail.com) and Rich from Your Cash Toolbox will complete your account configuration. Also include **your personal phone number** so Rich can contact you to guide you through the onboarding process.
10. Do not login to your OneUC account until instructed to do so by Rich.

### **Charges**

\$14.99/month + taxes (after initial 14-day free trial)

\*This is the phone number people will hear in your outgoing voice broadcast message.
