Meet Lila

Once upon a time, a kitten called Lila, was looking out of her window.

Then she spotted a bird. That bird was a crow. A crow is a black bird.

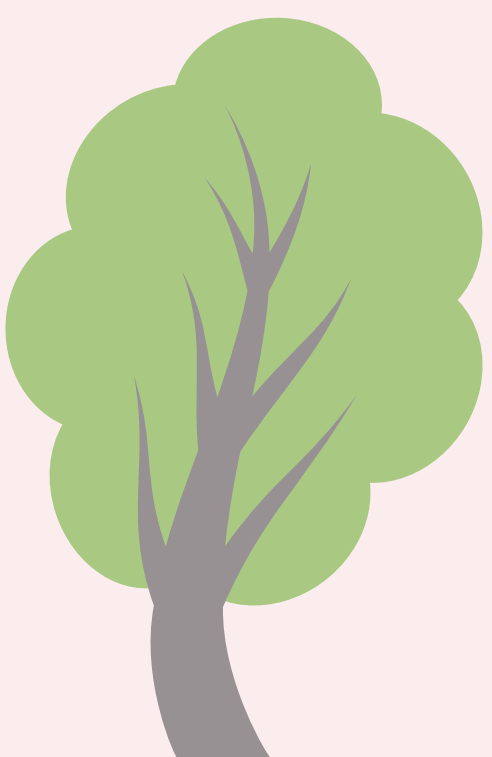

Lila took a picture of the crow. Cause she loves birds. Birds like..... toucans, eagles, and crows.

Lila's Day at the Park

One day, Lila decided to go to the park. When Lila arrived at the park, she looked for a quiet place and sat down.

She looked at the trees and started to count the birds sitting on a tree. She counted 1 eagle, 10 crows, and 5 toucans. After counting the birds, she went home.

Lila Meet A Friend

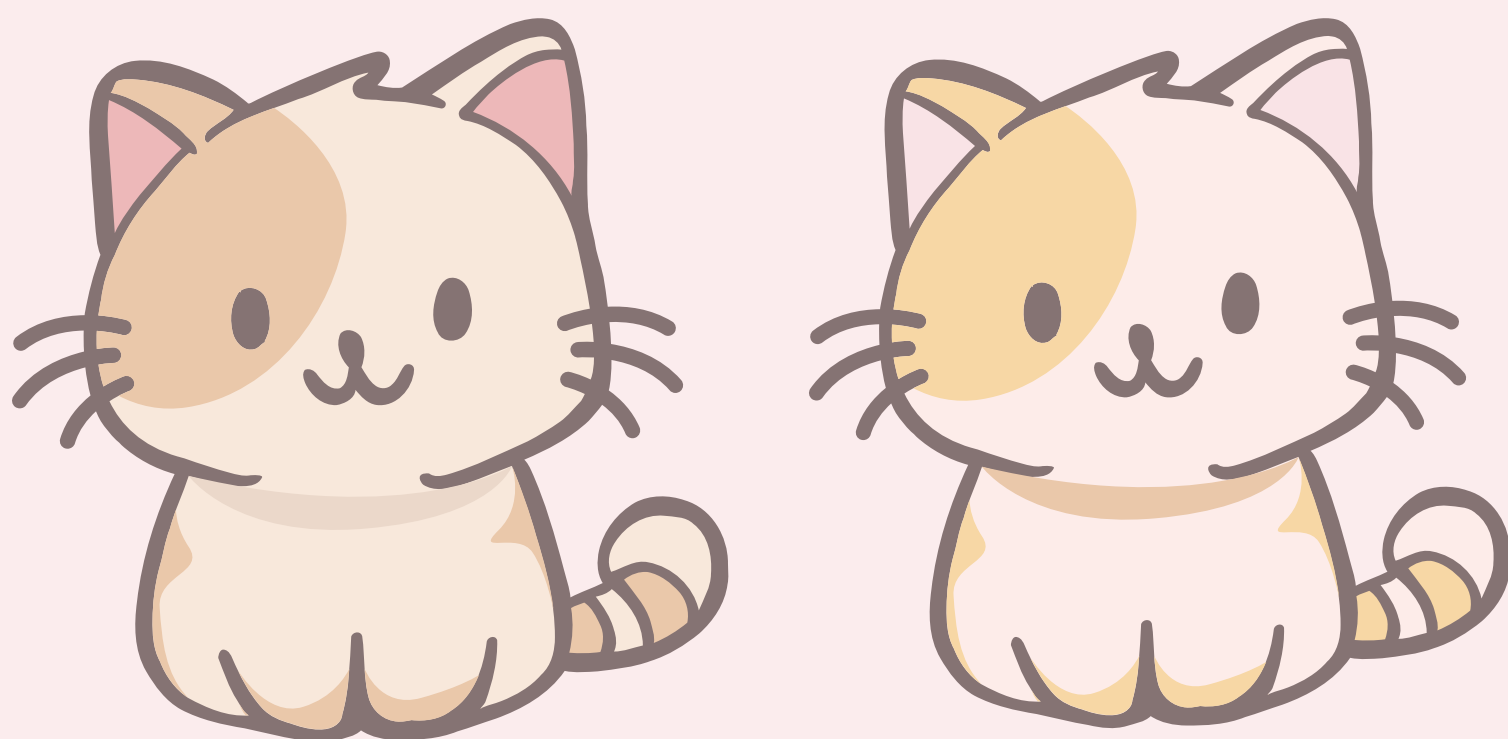

One day, when Lila was walking, she saw another kitten.

"What is your name?" asked Lila.

"Hi! My name is Emily. But what is your name?" said the other kitten.

"My name is Lila. Let's be friends!" said Lila.

"Ok!" said Emily.

Lila Goes To A Playdate

One day, Lila asked her new friend.

Lila: "Do you want to go on a playdate?"

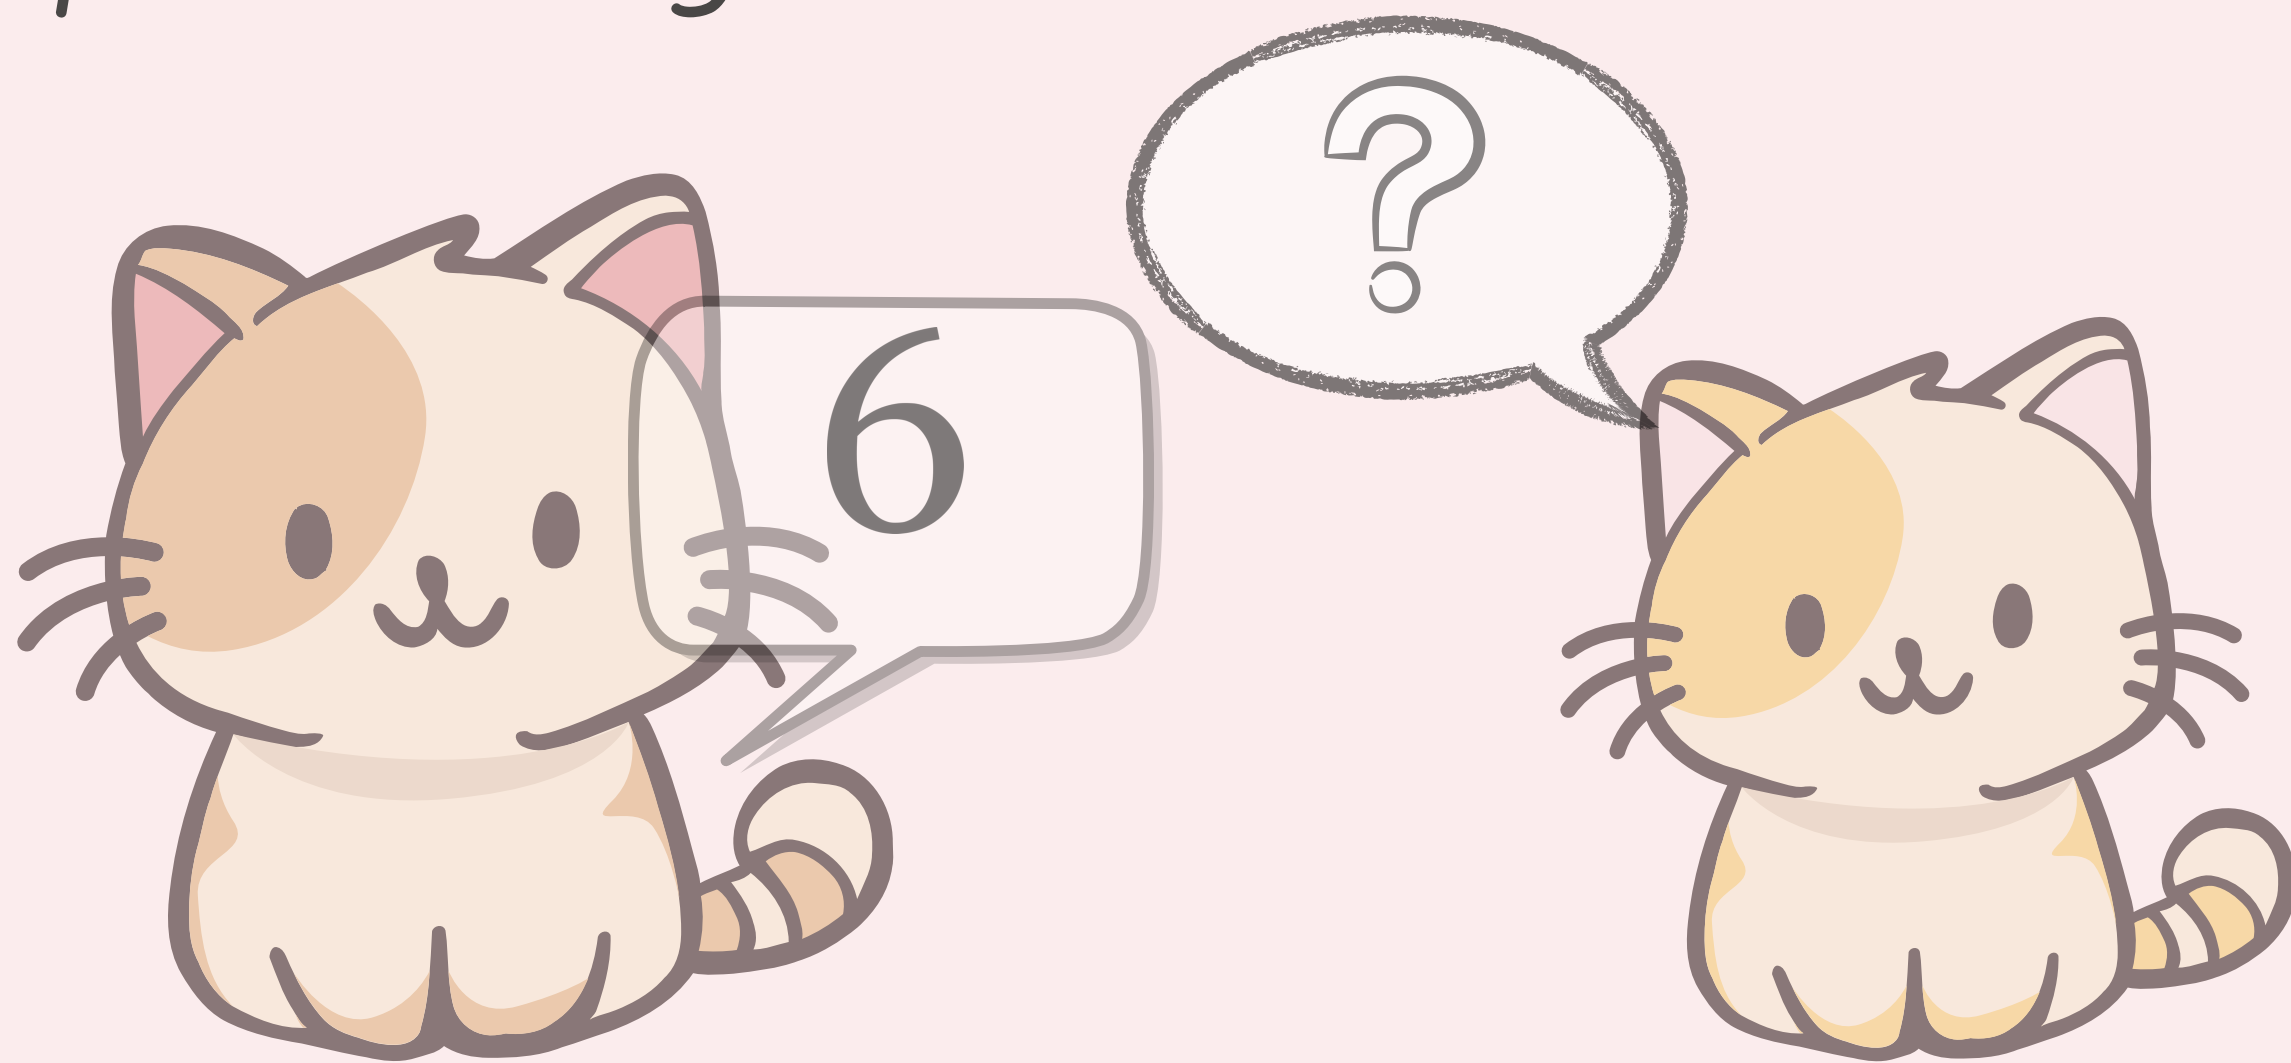

Emily: "Yes!"

Lila: "Great! Let's meet at the park."

Emily: "But what time?"

Lila: "Six!"

Emily agreed and they met at the park. They had a blast for one hour.

Lila Goes To The Shop

On a sunny day, Lila looked at her fridge and said "My fridge is so empty!. But then I can just go to the shop!".

And then she went to the shop. She took so many stuff. Like tomatoes, cucumbers, and milk. After that, Lila went to the cashier to pay for it. And then she went home.

Lila Goes To The Airport

One day, Lila decided to go to a trip because she wanted to visit Bookland.

But she had to pack first. So she started to pack her clothes, swimsuit, camera, and sunglasses.

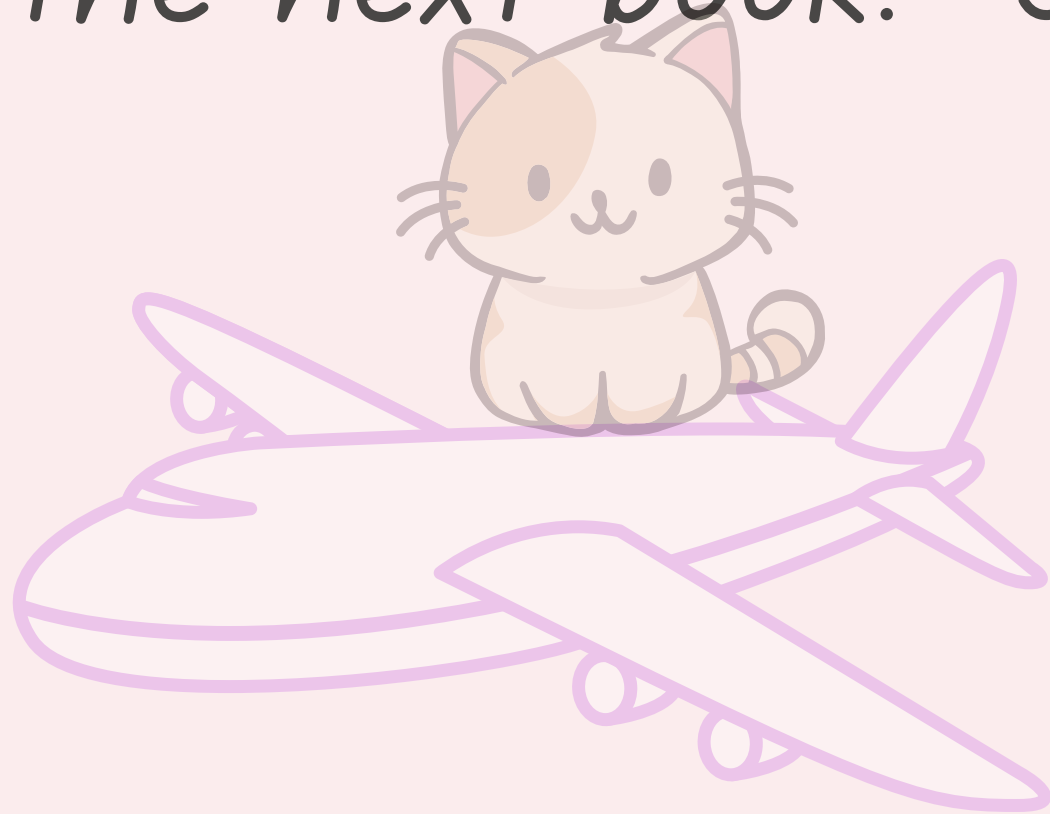

She thought something was missing. "aaahh!" She yelled. "I know what is missing. My passport!"

She packed her passport and said, "That's all I need." And started to look when a plane will leave for Bookland.

The next day, she took a taxi to the airport. It was a very nice place. It had signs, gates, and kind passport checking lady. She waited a bit and then got on the airplane.

"See you in the next book!" she yelled.

See you in the next book...

Bye!
