Steps to Prepare

01

Floor Plan- Email

Check appraisal or listing documents for a picture of your floor plan and email a copy to me. If you cannot find a floor plan- we have a couple options!

CubiCasa is an app where you can scan a free 2D floorplan of your home in about 10-15 mins. It is an incredible resource. It takes 24 hours to process. You can find out more [here](#).

If you prefer, you can also just sketch a non scientific floor plan, take a picture of it or scan it, and send it to my email. While this can be a rough drawing, do try for some general scale.

02

Home Consultation- Form Submittal

Please take 60 seconds to complete this [intro form](#) so that I begin to understand the scope of your home. No need to email- when it submits, I will receive.

03

Home and Room Pictures- Email

Please take pictures of the views of your home, yard and all rooms from all sides. Please do not clean up first, make sure to include the entryway, all four views of each room, and any other views you want to share with me. Include extra photos of any room or area where things stand out to you or are particularly challenging.

My hope is that this can be quick and efficient. As you take pictures of each room send that batch directly from your phone to my email. You cannot send too many emails or pictures. For some, this can take as little as 10 minutes- just make sure to be thorough- but again, no cleaning or staging. Daytime is best so I can see the room.

04

5 Element Questions - Submit (Multiple)

The 5 Elements are fabulous to understand and this particular method is quite unique. Please take a few minutes to answer **all five sets of questions below**. Your partner (if applicable) may complete a set- but do not share these assessments with others. Results will be discussed during the consultation.

This is not a personality test, but a snapshot of your life in motion. Please do your best to look at your life in general and select an answer without stress. **Click each one below** to be taken to that set of questions. *Do not submit twice- I will contact you if any are missing!
